Introduction to Longside School

Dear Parent,

Welcome to Longside Primary School. As Head Teacher, I hope that the partnership between home and school will be productive and enjoyable and that your child settles and enjoys his/her time with us.

We take pride in the fact that this is a happy and industrious school with a real sense of team spirit and we value that the education of their child/children is shared with parents, who have a very important role to play. This handbook aims to explain how that partnership develops successfully through help, support and expectations. Early communication from parent or school will help to promote this partnership also.

This Aberdeenshire Council handbook is designed to inform parents of as many aspects of life at Longside School as possible and has been written in response to School Handbook Guidance (Scotland) Regulations 2012.

Longside School Background Information

Longside Primary School is situated in the village of Longside and serves the catchment area of the village and the surrounding rural area. The school is fourteen years old – a PPP (Public Private Partnership) building. The school is non-denominational. A number of pupils who live outwith the catchment area also attend the school.

The school building has eight classrooms, a General Purpose room, a large PE hall (where lunch is served from our “in house” kitchen), Meeting Room and administration accommodation. The school also has Early Years (3-4yrs) accommodation, which comprises classroom with outdoor facilities attached.

Outside, there is a large tarmac play area and a large field area, as well as a wildlife garden, an area of outdoor play equipment and a quiet seated area.

Longside School provides education for children aged 3 – 12. The current roll is 156 and 38 pre-school children. There is a relatively new housing development on the outskirts of the village. The school has seven full time equivalent teaching staff and a non-teaching Head Teacher. The position of Principal Teacher for the Mintlaw CSN is held by Mrs V. Willox who is based within Longside School. Mrs Willox teaches a class for two days and has a remit for development work for Longside School (0.1 FTE) and for Mintlaw Cluster Schools (0.3 FTE). One of our teachers, Miss Ingram, is currently seconded for 1 day a week to a PT post (Principal Teacher of Numeracy for Mintlaw Area). Visiting Specialist teachers come into most classes to allow staff to have their non-class contact time. Currently there is provision for Art and Design, Drama, and MLPS (French/German/Spanish). Additional Support for Learning staff come to school twice weekly from Mintlaw Academy. Teaching staff are supported in class by Pupil Support Assistants. P.S.A.s also support pupils in the playground. We have an Early Years Senior Practitioner (Ms. L. Noble); there is also an Early Years Lead Practitioner (Mrs L Park) and a team of EYPs currently working in our pre-school setting. There is an Administrator and two Clerical Assistants. Cleaners and Janitorial staff are employed by Robertson Construction.

Community links are a valued part of school life. The Head Teacher is a member of the Community Council. There are strong links with the local church, the British Legion and Aden Park.

The school has an active and well supported Parent Council. Parents and Carers are encouraged to become involved in the work of the school. Through the School House Groups, Pupil Parliament & Class Reps, Eco work and the Health promoting School group pupils are involved in the work of the school and its improvement.
Several after school clubs are typically run by staff and parents (Gardening, J Rock Challenge, Football, Badminton, Netball, Arts & Crafts and Code Club; other clubs are led by Active Schools) although these are not currently running owing to Covid restrictions.

The school operates its budget in line with Aberdeenshire Authority guidelines to support planned school improvements. In June 2011 the school and nursery received a positive report from HMie.

On leaving Longside School, pupils transfer to Mintlaw Academy. A further ten primary schools (all in the Mintlaw Community Schools Network) transfer to Mintlaw Academy.

Creating an ethos of achievement is central to what we do in Longside School and we work hard to establish an environment in which all our pupils, staff and members of our community are able to fulfil their full potential and expectations. Staff and pupils enjoy working together in a lovely new, purpose built school building.
Our Vision, Values and School Ethos

Longside School strives for an ethos whereby everyone feels valued and respected. The Vision Statement, Values and Aims communicate our philosophy and beliefs for Longside School Community.

Vision, Values and Aims

Vision Statement: "Learn, Achieve, Succeed"
Agreed Values: Respect, Care, Trust, Fairness

Aims

We will have:

- the highest aspirations for all our learners and a climate of celebrating achievement
- a broad range and balance of discrete curriculum experiences as well as carefully considered IDL experiences
- a clear progression of experiences to develop skills
- a vibrant, enjoyable and challenging learning environment
- a culture that encourages creative and innovative approaches
- a curriculum that promotes critical thinking and problem solving as an essential lifelong skill
- a solution-focussed approach that empowers everyone to become resilient, resourceful and respectful

Developed with pupils, parents and staff in March 2015
Early Years and Childcare Aims

Vision statement: “Learn, Achieve, Succeed”

Agreed Values: Respect, Care, Trust, Fairness

Be friendly and helpful towards each other.

Being thoughtful and caring for one another.

Trust one another and try your best and share your achievements.

Everyone is treated equally in a non-judgemental way.

Early Years Aims prepared Aug 2016
Curriculum

Within our school, we aim to provide a curriculum that is both inclusive and ambitious for all – a curriculum which is both academically challenging and also provides opportunities to develop skills for learning, life and work.

Our curriculum will be based around the four capacities of Curriculum for Excellence – to ensure our pupils are successful learners, confident individuals, effective contributors and responsible citizens. Our curriculum will also reflect the principles of curriculum design to ensure breadth, depth, personalisation & choice, challenge & enjoyment, progression, coherence and relevance. We will, therefore have a curriculum which we will adapt continuously over time to meet the needs of our pupils.

Following the principles of Curriculum for Excellence, achievement of children and young people is celebrated in its broadest sense. This means looking beyond formally assessed learning, to recognise activities like volunteering and participation in arts, sports and community-based programmes. This approach complements the nurturing and aspirational outcomes of Getting It Right for Every Child, and our aim in Aberdeenshire to overcome inequality by Raising Attainment for All, promoting Equity and Excellence in schools, and Closing the Gap. Further information on the schools approach to Curriculum for Excellence including information for parents, can be requested.

Curricular Areas

- **Literacy and English Language**: Listening, Talking, Reading and Writing.
- **Numeracy and Mathematics**: Number, Money and Measure, Information Handling, Shape, Position and Movement.
- **Health & Wellbeing**: Mental, emotional, social and physical wellbeing, Physical education, activity and sport, Food and health, Substance misuse, Relationships, sexual health and parenthood.
- **Social Studies**: People, past events and societies, People, place and environment, People, society, economy and business.
- **Sciences**: Planet Earth, Forces, electricity and waves, Biological Systems, Materials, Topical Sciences.
- **Technologies**: Technological developments in society, Business technology skills and knowledge, Computing science, Food and textiles, Craft, design, engineering and graphics.
- **Expressive Arts**: Music, Drama, Art and Design and Dance.
- **Religious and Moral Education**: Christianity, World Religions, Development of beliefs and values.
- **Modern Languages** – French for all; occasionally a second language experience e.g. Spanish
Curriculum Design

Our curriculum is designed on the basis of the following 7 principles:

- Challenge and enjoyment
- Breadth
- Progression
- Depth
- Personalisation and choice
- Coherence
- Relevance

Developing Young Workforce

As part of the curriculum, pupils will develop skills for learning, life and work. More detail about these key skills can be found using the link below:

https://www.npfs.org.uk/skills-in-a-nutshell/

Throughout their time in school, from Early Years onwards, all pupils will have an opportunity to engage with employers, through experiences like workplace visits, career talks, employability events and courses, work experience and curriculum based activities. They will also have the opportunity to learn about further and higher education, and the work done by training providers, as well as different career pathways into employment.

In S4-6, pupils will be given the opportunity to study for vocational qualifications, including Foundation Apprenticeships, alongside the more traditional qualifications.

Further information for parents on Foundation Apprenticeships can be found at https://www.apprenticeships.scot

Further information for parents can be found on the Aberdeenshire DYW website: http://dywaberdeenshire.org/parents/

Curricular Levels

<table>
<thead>
<tr>
<th>Level</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Early</td>
<td>The pre-school years and P1, or later for some.</td>
</tr>
<tr>
<td>First</td>
<td>To the end of P4, but earlier or later for some.</td>
</tr>
<tr>
<td>Second</td>
<td>To the end of P7, but earlier or later for some.</td>
</tr>
<tr>
<td>Third and Fourth</td>
<td>S1 to S3, but earlier for some. The fourth level broadly equates to Scottish Credit and Qualifications Framework level 4. The fourth level experiences and outcomes are intended to provide possibilities for choice and young people's programmes will not include all of the fourth level outcomes.</td>

Development of Spiritual, Moral, Social and Cultural Values

The Development of Pupils’ Values

In our school we are committed to providing appropriate opportunities for the development of pupils’ spiritual, moral, social and cultural values through both the ethos and the curriculum. This will be undertaken in partnership with parents and will take account of the individual needs of pupils and the views of parents.

Our school welcomes and encourages diversity and individuality, while emphasising our common commitment to moral values such as honesty, respect for others, compassion and justice. It is a fundamental principle of our school that all who are involved in the life of our school have the right to be respected as individuals and carry the responsibility to act in a considerate and respectful manner towards others. We implement the Council policy for Equal Opportunities and ensure that all pupils have access to the full range of educational experiences available within the resources of the school. We are firmly committed to the elimination of any form of discrimination on the grounds of age, race, religion, gender, sexuality or disability.

1+2 Language Learning

The Scottish Government has introduced a policy ‘Language Learning in Scotland: A 1+2 Approach’. Children are growing up in a multilingual world and to allow them to take their place as global citizens, they need to be able to communicate in many settings. This approach entitles every child and young person to learn two languages at school in addition to their mother tongue language.

In Longside School the first foreign language is French. This language will be learned from P1 (in Primary School) through to S3 (in secondary school).

If you would like your child to access Gaelic Medium Education and they have not yet started to attend a primary school you can make a request for an assessment of need for Gaelic Medium Primary Education (GMPE). For more information, please go to:

http://aberdeenshire.gov.uk/schools/information/gaelic-in-schools/

The parent or carer of any child or young person can make a request for their child to attend any school which offers GMPE. This will enable your child to be taught by specialist staff. As there are currently no schools in Aberdeenshire which have GME provision learners are transported to school in Aberdeen City.

Further Information

Further information on the schools approach to Curriculum for Excellence including information for parents, can be requested. Parentzone is an excellent website for information.

More general information on Curriculum for Excellence and the new Qualifications can be found by clicking on the hyperlinks below.

Broad General Education (Pre school – S3):
https://education.gov.scot/scottish-education-system/Broad%20general%20education

Senior Phase and beyond (S4 – 16+):

National Qualifications:
Assessment and Reporting

Pupils move through the curriculum at their own pace. A wide range of assessment techniques are used in school depending on what is being assessed and the reason for the assessment e.g.

- Observation of what the pupils “say”, “write” and “do”.
- Homework
- Self and peer assessments
- Marking of class work and other individual/class assessments
- Ongoing tracking and monitoring procedures in school
- Scottish National Standardised Assessments (P1, P4, P7 and S3)

Progress will be evidenced using a variety of approaches that best reflect the learning that has taken place, and will track the skills that your child or young person is developing.

Assessment is ongoing throughout the Broad General phase and is a continuous process which influences the goals set for your child. As part of assessment, each year children and young people in P1, P4, P7 and S3 will participate in the Scottish National Standardised Assessments (SNSA). These national assessments are completed online and provide teachers with immediate feedback on each child or young person’s progress in literacy and numeracy. Children and young people do not have to prepare or revise for the assessments, which take place as part of normal learning and teaching. The assessments do not have any pass/fail mark and the results are used to help teachers plan the next steps in learning for each child/young person. Further information on SNSA is available at https://standardisedassessment.gov.scot/

The results of children’s achievements are discussed with them regularly so that they are involved in taking responsibility for their own learning. This may take the form of oral discussion and/or written comment. In this way, it is hoped to assist the pupil identify what has been learned and the next steps to their learning. Children regularly set targets in their work.

Parents will be informed of progress:

- through pupil profiles/learning logs
- through parent consultation evenings and other meetings
- through curriculum/learning events/parent workshops
- by the annual school report
- Individual Education Plans and associated documents

Parents and carers are encouraged to contact the school at other times throughout the year to discuss their child’s progress.

Secondary schools: Assessment & Reporting in the Senior Phase (S4-S6)

In the Senior Phase pupils embark on the National Qualifications.
As pupils enter this phase they are set an aspirational target grade for each subject they are studying. This forms the basis for learning conversations between staff and pupils to discuss progress and identify next steps. This is shared with parents/carers through TRACKING Reports.

Further Information on Assessment, Reporting & Profiling can be found on Parentzone:

1 Admissions

Nursery Admissions.

Early in each calendar year, all parents/carers should complete an application form and submit this to the nursery of their choice. This can be your local school nursery or any other early learning and childcare setting within Aberdeenshire. The application form can be found here:

http://aberdeenshire.gov.uk/schools/information/early-learning-and-childcare-information/

Transitions

We understand that transitions especially at Pre-School, P1 and S1 stages can be anxious times for parents and pupils. At Longside School we have arrangements in place to support transitions and these are outlined below.

Transfer to Early Years and Childcare provision (3 and 4 year olds)

In order to support and ease transition into our early years setting, we arrange a series of induction events/meetings/Come and Play sessions for you and your child. These events are planned to allow you and your child to become familiar with the setting, to meet staff, to meet with the other children and to find out about school life and what you can do to support your child’s transition. A major part of this process involves parents sharing information about their children’s needs and you will be asked to complete a number of forms regarding e.g. your child’s specific needs. Any other setting your child is joining us from may also provide transition information regarding your child.

Delayed entry to P1

Where parents have concerns regarding their child’s entry to P1, they should discuss this with the early years staff in the first instance who will be able to offer support and guidance although the decision remains with the parent.

Primary Admissions

New entrants to P1 are enrolled early in the calendar year for entry to school in August. This is for children who will be five on or before the school start date in August. Those that have their fifth birthday between the August start date each year and the end of February the following year, may also be admitted. Go to:

http://aberdeenshire.gov.uk/schools/information/primary-school-registration/
Transfer to Primary 1

In order to support and ease transition into P1, we arrange a series of induction events/meetings for you and your child. These events are planned to allow you and your child to become familiar with the school building, to meet staff, to meet with the other children including your child’s buddy and to find out about life in school and what you can do to support your child’s transition into P1. The induction process starts in your child’s pre-school year, with P1 staff arranging to visit your child in their pre-school setting wherever possible in order to begin to get to know your child.

Induction meetings are arranged for parents around May/June in order to share information about starting school and how you can help your child at home. This is also an opportunity for parents to meet their child’s teacher and to ask any questions or share any information.

At these induction meetings, parents are issued with a range of materials designed to support children’s learning at home and parents are asked to complete a range of forms to gather information about e.g. your child’s medical needs, contact addresses, special needs etc.

Our prospective P1s also have the opportunity to come into class for a series of induction sessions around May/June. This allows the children to begin to get to know their classmates and their teacher as well as familiarising themselves with the school buildings and classroom routines. Parents are also invited to join their P1 children for a school lunch.

Information regarding details of P1 induction arrangements along with dates will be communicated directly to prospective P1 parents around April. Early in P1, we also invite parents in for two workshops covering aspects of Literacy and Numeracy learning.

Transfer to Secondary Education

Most children from Longside School attend Mintlaw Academy. (Telephone Number 01771 622994).

An induction programme for P7 is in place to help ease the transition into S1. P7 pupils spend 3/4 days at Mintlaw Academy towards the end of the summer term. Further information is communicated to parents about the induction calendar for secondary school around January each year. Parents also have the opportunity to visit Mintlaw Academy where information will be shared and questions can be asked.

Liaison between Longside Primary and Mintlaw Academy is very good. During the P7 year, pupils have many opportunities to join with P7 pupils from the other Mintlaw CSN schools. Transition art projects, sports festivals, trips, invites to academy shows and other ad hoc activities are arranged for P7 pupils to get together. We may also link up with other Mintlaw schools for a residential trip.
Information about our P7 pupils is shared with guidance staff at the academy to help support appropriate continuity of education. Parents are welcome to attend these information sharing meetings, especially when additional support has been provided previously.

Mintlaw Academy staff also visit our pupils in Longside Primary where information is shared and questions can be asked.

Where parents opt to send their child to any other secondary school, (following placing requests) Longside School would establish any relevant links.

**Transitions Between Stages**

For some children, the thought of moving onto their next class/teacher can also be an anxious time. Again, we have structures in place to support these transitions. Teachers share planning and work together on school improvement projects helping to ensure a commonality of expectations and approaches. Time is arranged for teachers to hand over information regarding the learning needs of the pupils transferring from class to class. Around June of each year “step up” time is also arranged where pupils can meet their next teacher and their classmates. Opportunities throughout the year for children to work on joint projects, e.g. ‘House’ Work help to ensure that the children have opportunities to work with other staff and pupils.

We have introduced an early ‘Meet and Greet’ session where parents are introduced to their child’s new teacher and class early in term 1.

If you have any particular concerns regarding transitions, please make an appointment to see the Head Teacher or class teacher.

To view the school catchment area for your address, go to:

https://aberdeenshire.gov.uk/schools/school-info/admissions/school-zones/

---

**2 Placing requests & School Zones**

For all advice and information on placing requests and guidance on school catchment/zones go to:

http://aberdeenshire.gov.uk/schools/information/choosing-a-school

Your child would normally attend a school within the school catchment area (zone) close to where you live. However, you can request that your child attends a school in another zone (out of zone). Please follow the links for more info:

Out Of Zone Placing Request Policy & Procedures
3 Getting it Right for Every Child

Getting It Right for Every Child (GIRFEC) is the national policy approach in Scotland which aims to support the wellbeing of all children and young people, by offering the right help, at the right time, from the right people. Certain aspects of this policy have been placed in law by the Children and Young People (Scotland) Act 2014.

Aberdeen’s schools play a key part in delivery of Aberdeen’s Children’s Services Plan.

Its vision is that:

‘Our commitment to Aberdeen’s children and young people, is to provide them with the right support, in the right place, at the right time.

In helping them reach their individual potential and goals, we will work together to make Aberdeen the best place in Scotland to grow up’

You can find out more about our Children’s Services Plan at:

http://www.girfec-aberdeenshire.org/who-we-are/our-childrens-services-plan/

4 Wellbeing

Wellbeing of children and young people sits at the heart of the Getting it Right for Every Child approach. Eight Wellbeing Indicators shown below, outline the aspirations for all Scotland’s children and young people.
At Longside School, the Getting It Right approach means services will work in partnership with children, young people and their parent/carer(s) and we want every child at our school to feel happy, safe and supported to fulfil their potential.

5 Children’s Rights

The Children and Young People (Scotland) Act 2014 included new law to help make sure children’s rights are promoted across Scotland. Children and young people’s rights and participation are promoted in lots of different ways by schools in Aberdeenshire.

This means we:

- Raise awareness of Children’s Rights, and how rights can be accessed
- Provide opportunities for children and young people to get involved in decision-making
- Make sure children and young people’s views influence how we develop services
- Support children and young people to express their views (where needed)
- Listen to children and young people’s views on what we do well, and what we could do differently

Aberdeenshire Council has endorsed a Children and Young People’s Charter. You can find out more about Children’s Rights and opportunities for participation at:

6 The Named Person

Prevention and early-intervention are seen as key to the Getting It Right approach in achieving positive outcomes for children and young people. By providing support at an early stage, most difficulties can be prevented from escalating.

One way the Scottish Government has decided this should be taken forward, is by making a Named Person available to every child and young person in Scotland. From birth to prior to starting school, the Named Person Service is provided by your Health Visitor. The Education Service provides the Named Person Service for all children on entry to Primary One, until aged 18 (or beyond where a young person remains at secondary school). In Aberdeenshire the Named Person will be either the Primary Head Teacher or Deputy Head Teacher and in Secondary School, the Named Person will be that young person’s allocated Principal Teacher of Guidance (with a few exceptional circumstances).

The purpose of the Named Person role is to make sure children, young people and parents have confidence that they can access help or support no matter where they live or what age the child is. Acting as a central point of contact, the Named Person can help children, young people or parents/carers get the support they need, if and when they need it.

The Named Person can help by:

- Providing advice, information or support
- Helping a child, young person, or to access a service or support
- Discussing or raising a wellbeing concern about a child or young person.

There is no obligation for children and young people or parents to accept any offer of advice or support from the Named Person. Non-engagement with a Named Person is not in itself a cause for concern. The Named Person Services is currently delivered on a national policy basis.

For more information you can contact your child or young person’s Named person directly, or go to:

https://www.gov.scot/policies/girfec/named-person/

At Longside School, the Named Person for primary age pupils is Mr Imlah (Head Teacher); the named person for Early Years pupils is the Health Visitor. The Named Person may not always be the Lead Professional for children with specific plans.
7 **Educational Psychology**

The Educational Psychology Service (EPS) provides a service across Aberdeenshire from pre-birth to 24 years old. We work with children, young people, families, educational staff, local authority colleagues and a wide range of other professionals including health professions, social work, early years partner providers and post school training and education providers.

When there are concerns about a child or young person’s learning or wellbeing, an Educational Psychologist can support others to problem solve their way through potentially difficult and complex situations. Consultation with people who know the child best forms the basis of Educational Psychology assessment. Its purpose is to explore and understand the concern, and support people to come up with solutions that will work in that particular context.

The EPS also offers a range of services that help improve learning and wellbeing for all children and young people. We do this through action research, development work with schools, training, and contributing to strategic developments.

http://aberdeenshire.gov.uk/schools/eps/

8 **Enhanced Provision & Community Resource Hubs**

Aberdeenshire Council is committed to supporting children and young children to be educated in local schools through providing the right support in the right place at the right time. By enhanced provision we mean that a local primary and secondary school has an enhanced level of resources, such as access to a sensory room and life skills area; and support for learning staff who have an enhanced level of expertise to meet a range of needs.

Further enhancement is available through the community resource hub, for a small minority of children with severe and complex needs, who regardless of chronological age are making very small steps in learning and are at the early levels of learning. The enhanced provision centres and community resource hubs can offer outreach support to mainstream schools, short term assessment placements, flexibility (e.g. blended places) and access to a variety of therapies.

For more information on all of our resources and policies go to:

http://asn-aberdeenshire.org/

9 **Support for Learning**

At times in their lives all children may require support for learning for a range of reasons. Some children may need a lot of support all the way through school. Others may need only a small amount for a short time.

A child is said to have additional support needs if they need more, or different, support to what is normally provided in schools or pre-schools to children of the same age. Reasons for requiring support might include:

- Missing school because of an illness or long-term condition
- Having a physical disability
• Being a young carer
• Communication difficulties
• Being particularly able
• Changing school a lot
• Being looked after or in care
• Difficulty in controlling behaviour
• Having a difficult family situation
• Suffering a bereavement
• Being bullied

Each school cluster has an allocation of Teachers of Additional Support for Learning (ASL) who are employed to support pupils with additional support needs. They work across each cluster in primary and secondary. In partnership with school staff, parents and other professionals (if appropriate), they identify barriers to learning, assess children’s needs and support learning and teaching through a relevant curriculum.

Pupil Support Assistants (PSAs) assist teachers in promoting achievement and raising the standards of pupil attainment. They provide general support in relation to the needs of the class and individuals’ care, health and wellbeing and safety and to ensure a secure and safe environment.

10 The Child’s Plan

The Getting It Right approach makes sure children and young people are provided with a range of support, which is proportionate and put in place to meet assessed need. This is reflected in Aberdeenshire’s staged approach to assessment and planning for individual children and young people, shown below.

For a small minority of children or young people, there might be higher levels of wellbeing need or risk identified. These children may require a level of targeted support, which needs to be coordinated on a single or multi-agency basis through a Child’s Plan.

Where a child or young person needs one or more targeted supports, the benefit of a Child’s Plan will be discussed with them and their parents/carers. An assessment
using the National Practice Model (My World Triangle/Resilience Matrix) would help to identify any wellbeing needs (Safe, Healthy, Active, Nurtured, Achieving, Respected, Responsible, Included), and highlights strengths and pressures in the child’s situation. Families are fully involved as key partners in these discussions.

The Child’s Plan will outline what action will be taken by the child, their family and professionals, and detail how these supports aim to help improve the child or young person’s Wellbeing and overcome any difficulties.

A Lead Professional will be identified to co-ordinate and manage any Child’s Plan.

Information is available on the Aberdeenshire Getting It Right for Every Child Website:

http://www.girfec-aberdeenshire.org/

11 Child Protection

Child protection is the responsibility of all who work with children and families regardless of whether or not they come into direct contact with children. All workers must be fully informed of their responsibilities in respect of keeping children safe. All services working with children, young people and families are expected to identify and consider the wellbeing of children and to share concerns appropriately.

Within our School we have a designated member of staff appointed to be responsible for Child Protection matters, this is the Head Teacher Mr Imlah. In his absence, Mrs Willox or Miss Ingram will deputise. In nursery, the EYSP or EYLP will liaise with HT on matters. If there is the possibility that a child could be at risk, the school is required to follow the Child Protection Procedures laid out for Education.

This may mean that the child is referred to Social Work, the Police or the Children’s Reporter.

Remember – if you suspect a child is at risk, do not rely on someone else to notice.

If you would like to speak to someone, seek help or pass on information or concerns:

You can speak to designated staff in our school

Social Work Monday to Friday during office hours contact your Children & Families local Social Work Office

Evenings & Weekends call the Out of Hours Service on 03456 08 12 06

Police Emergency 999, Non-Emergency 101

Signs of abuse can range from poor personal hygiene and hunger to unexplained injuries or self-harm.

If a young person tells you they are being abused:

• stay calm and listen to them
• never promise to keep it a secret – tell them you must let someone else know
• remind them that they are not to blame and are doing the right thing
• report it, but leave any investigation to child protection agencies
Protecting Aberdeenshire’s children and young people is everyone’s business, go to: http://www.girfec-aberdeenshire.org/child-protection/

12 Further Information on Support for Children and Young People

The following websites may be useful:

Enquire – National Parent Information Service and Helpline
http://enquire.org.uk/
Parent & Carer Involvement and Engagement

The term “parents” refers to anyone with parental responsibilities and others who care for or look after children or young people.

Both globally and nationally it is recognised that parents are the single most important influence on their children’s development, learning and achievement. The involvement and engagement of parents in their children’s learning is recognised as a key element in raising attainment, through support, help and encouragement given at home and whilst at school.

Parental Involvement and Engagement Strategy The Parental Involvement and Engagement Strategy demonstrates the commitment by Aberdeenshire Council to improve the quality and the extent of all parents’ involvement in their child’s learning and the important role they play in their child’s education.

The plan sets out a vision for parental involvement and engagement for the next three years and covers a journey that a child takes from pre-birth to age 18. It highlights the leadership of those who make the difference day in and day out.

13 Parental Engagement

Parental engagement is about parents’ and families’ interaction with their child’s learning. It can take place in the home, at school or in the community: where it takes place is not important. The important thing is the quality of the parent’s engagement with their child’s learning, the positive impact that it can have and the interaction and mutual development that can occur as a result of that interaction.

14 Communication

The school uses a range of approaches to share information about your child’s learning and progress. These include:

- Use of Groupcall to email
- School Facebook Page
- Parent ‘Preview’ information
- Newsletters
- Events – coffee mornings, class assemblies
- Rewards Systems
- See-Saw electronic profiling tool
- Open days/mornings/afternoons
- Curriculum Events
The school calendar highlights planned opportunities for sharing children’s progress. See Saw is used across the primary school to share children’s successes with families.

15 Learning at Home

Learning at home is the learning which happens in the home, outdoors or in the community. Your home is a great place to support learning. Your child can try out new activities or practice familiar learning, at home and in their wider community.

At our school we provide materials for you to work with your child to develop key skills at home. We issue guidance about our Preview approach annually, this can be requested from the school office.

16 ParentsPortal.scot

In support of Aberdeenshire Council’s ambition to offer more digital services to its residents, Aberdeenshire primary and secondary schools are rolling out a new national online service called parentsportal.scot. This is designed to replace the paper ‘schoolbag run’, giving a child’s registered contacts access to a range of school-related online services, 24 hours a day, 7 days a week.

At the heart of the system, is a secure account through mygov.scot, which is referred to as ‘My Account’ or ‘MyAberdeenshire’ account. ‘MyAberdeenshire’ is already used to allow parents/carers to make online payments or receive notifications if a school closes unexpectedly. Parentsportal.scot and ‘MyAberdeenshire’/mygov.scot will work together, making this a convenient one-stop-shop, to access all Aberdeenshire digital services.

Initially, parentsportal.scot will allow parents/carers to see basic information about your child(ren)’s school and twitter account as well as:-
- make a link to your child(ren)
- complete the annual data check process electronically (child’s main contact only)
- update their own as well as your child(ren)’s details at any time
- to register and access for online school meal payments using one sign in (iPayImpact)

How do I sign up? - If you already have a myAberdeenshire account to pay for school meals through iPayImpact, you can sign up using the same sign in details at https://parentsportal.scot/home/ You do not need to register or set up a new mygov.scot account.

If you do not have a myAberdeenshire/mygov.scot account or are looking for more information and videos on how to access to parentsportal.scot, please go to https://www.aberdeenshire.gov.uk/schools/school-info/parents-portal/
Parent Forum and Parent Council

The Parent Forum is a collective name for all parents, carers or guardians in the school.

Longside Parent Council is a group of parents selected by the Parent Forum to represent the views of all parents, carers and guardians in the school. The Parent Council works with the school to support learning and teaching, school improvement and parental and community engagement.

Contact the Parent Council Chairperson or Head teacher for more information about getting involved in the Parent Council or email: longsideparentcouncil@gmail.com

17 Parents and School Improvement

Our school has a range of priorities that we work on each year which are explained in our School Improvement Plan (SIP). Parents often have helpful and creative ideas about how to improve their child’s school and what can be done to improve the quality of children's learning. In our school we will consult with parents in a number of ways. These may include:

- working groups/focus groups which any interested parent is invited to be part of
- questionnaires and surveys
- consultation with the Parent Council

18 Volunteering in school

Although there are normally many opportunities for you to support learning in school, during Covid restrictions parents are not able to volunteer in school.

19 Collaborating with the Community

We work with many local organisations, community groups and businesses to ensure our children and young people benefit from further resources, experiences and opportunities. If you are interested in working with the school, please contact the Headteacher

20 Addressing Concerns & Complaints

Aberdeenshire Council recognises the vital role that parents play in supporting their child’s learning and is committed to fostering positive relationships with parents. No matter how strong partnerships are, or how good our policies are, sometimes things can still go wrong and there may be occasions where parents wish to express unhappiness or dissatisfaction with council services, policies or staff behaviour.

http://aberdeenshire.gov.uk/contact-us/have-your-say/have-your-say-guide/
When a complaint is made it must be handled in accordance with the Complaints Handling Procedure which provides two opportunities to resolve issues internally. In order to maintain positive relationships, it is usually better for all if parental concerns or complaints can be resolved at school/early years setting level as quickly as possible.

If a concern or complaint cannot be resolved at frontline resolution (Stage 1) then it will progress to Investigation (Stage 2) and a detailed investigation into the matter will be carried out. Complaints that are complex, serious or high risk and require detailed, lengthy investigation may be dealt with at the Investigation Stage from the outset.

Once the two internal stages of the Complaints Handling procedure have been exhausted, the complainant must be directed to the Scottish Public Services Ombudsman (SPSO) to carry out an independent external review of the process. The SPSO is the final stage of the complaint procedure.

Once the SPSO reaches a decision they may contact the council with recommendations for improvement and will provide dates by which the recommendations must be implemented. The council is required to report back to the SPSO and evidence that the required action has been taken.
School Policies and Useful Information

School Policies such as the Preview (Homework) Policy, Promoting Positive Relationships, etc. are all retained in school and are periodically shared by email with all families. These can be requested from the school office.

All Aberdeenshire Council Education policies can be found here:

21 Attendance and Absence Procedures

Parents are responsible for ensuring that their children attend school regularly and arrive on time. They are also responsible for ensuring the safety of their children on their journeys to and from school except whilst on school transport where Aberdeenshire Council has clear guidelines about pupil safety. Absence of pupils travelling on school transport must also be communicated to the bus company or (where known) the bus driver.

Regular and punctual attendance is linked closely to achievement and school staff would wish to work with parents to ensure that children can achieve fully. The school is required by law to maintain an accurate record of the attendance and absence of each pupil and parents are requested to assist in this process by keeping the school informed if their child is to be absent for any reason.

Unplanned Absence

It is important to note that if a child does not arrive at school and there is no reasonable explanation provided for his/her absence then members of staff will be required to ascertain the whereabouts for the safety of the individual child. We will attempt to contact you by telephone. If contact cannot be made, the situation will be assessed and it may be thought necessary to inform the local social work department. In order to avoid causing unnecessary concern for staff and parents the importance of good communication between home and school cannot be over-emphasised.

Parents are asked to assist school staff in the manner detailed below:

- If your child is unable to attend school through illness/other reason please telephone the school (01779 403700) between 08:00 and 09:00 on the first day of his/her absence or send a signed note via a brother or sister where applicable.
- If your child is home for lunch and becomes unwell at lunchtime making them unable to return to school in the afternoon please telephone the school before the beginning of the afternoon session – leave a recorded message.
- When you contact the school it would be helpful if an indication could be given as to the child’s expected length of absence from school.
• On your child’s return to school a note should be provided explaining the reason for absence and confirming the periods of absence from the school. The note should be signed and dated.

The school follows the Aberdeenshire Attendance Policy:

Procedures for following up on pupil absence are based on the Education (Scotland) Act 1980 which requires by law that parents/carers ensure that children attend school regularly. The Home/School Liaison Officer has a key role to play, providing a vital link.

22 Holidays during term time.

The Scottish Government has deemed that holidays taken during term time for primary and secondary children should be recorded as unauthorised absence unless there are special, exceptional circumstances. Should you wish to remove your child from school to attend a family holiday you must inform the Head Teacher. This will be recorded as unauthorised absence though there may at times be exceptional family circumstances previously discussed with the Head Teacher. Parents are advised to limit the number of holidays taken during term time, to minimise disruption to a child’s education. For annual holiday dates for Aberdeenshire schools please see the section at the back of this book, contact the school office or go to:
http://www.aberdeenshire.gov.uk/schools/parents-carers/school-term-dates-and-in-service-days/

23 Dress Code

All school uniform options are available to view at either of our two suppliers’ websites:

PomPrint Designs Ltd - https://www.pomprintdesigns.com/

Buchan Embroidery - http://buchanembroidery.com/

Pupils, parents and staff were involved in choosing the current dress code and the items have been selected so that pupils clearly identify with the school.

Please also consider the changeable nature of weather conditions and provide your child with appropriate outerwear and footwear to suit.

PE Kit consists of – T shirt which tucks into shorts, standard length shorts, socks, gym shoes (preferably with Velcro or elastic fastening for younger pupils) all kept in a gym bag.

With regard to safety, the wearing of jewellery (which we actively discourage) is not permitted during PE lessons. If your child (boy or girl) has pierced ears, please ensure they can remove and replace earrings by themselves. Any child wearing earrings that cannot do this will be asked to put surgical tape over them for PE lessons. (Parents should provide a named roll of surgical tape for this purpose.) Shoe string strap tops are also discouraged for safety reasons as they can catch on gym apparatus. Hair should also be tied back.
Parents should note their responsibility to ensure all clothing and belongings brought to school should be **named or marked in some way**, as it is difficult for children to distinguish their own clothing from that of others. The school requests that football team tops and designer garments are kept for home use or special occasions as these can provoke conflict amongst the pupils.

We do occasionally have ‘dress down Fridays’ and parents can determine what their child will wear on those days (not fancy dress though).

### 24 Clothing Grants

Some families may be entitled to a school clothing grant of £100 per eligible child per financial year. More information about this can be found at:

### 25 Transport

In order to qualify for free Home-to-School Transport, Primary school pupils must reside more than 2 miles from and attend their zoned school whilst Secondary school pupils must reside more than 3 miles from and attend their zoned school.

These distances are the shortest available route from the pupil’s house to the school gate and can take into account main roads (including dual carriageways), tracks and paths. Pupils will be assigned a collection point, in villages and towns and where safe to do so, pupils may have to walk up to 1 mile to the nearest collection point. Pupils who reside in rural locations are usually collected at the nearest adopted road to them (track end or roadside). School transport vehicles will not use private unadopted roads or tracks. It is the parent’s responsibility to escort the pupil to and from their collection point Application forms for free transport, Form PTU100 can be obtained from the school office.

**Privilege Transport**

Transport provision is also made available for pupils who are not ordinarily entitled to transport. Privilege transport is provided on school transport services subject to spare seating capacity. There are 3 types of privileged transport available.

**In-zone Privileged transport**

Pupils who attend their zoned school but are under the qualifying mileage can apply for In-zone privilege transport. If there is suitable seating capacity available and an existing route then the application should be approved, if there is not and there is a safe walking route available to the pupil, then it may be rejected. Please also note that if seating capacity is needed for a pupil who is entitled to school transport, In-zone Privilege pupils may be give written notice and removed from transport.

**In-Zone Privilege Transport – Safety**
Pupils who attend their zoned school but do not qualify due to their residence being under the qualifying mileage can apply for In-zone privilege transport. If there is no safe walking route available to the pupil, they are guaranteed a seat on transport by applying for an In-zone Privilege pass. A pupil who is guaranteed in-zone privilege transport would not be removed to make room for a pupil who is entitled to school transport.

**Out of Zone Privilege Transport**

There is no transport entitlement to pupils who attend a school which they are not zoned for. Pupils may apply for Out of Zone Privilege transport; pupils are required to meet the nearest available school transport vehicle to them, and it is the parent’s responsibility to bring the pupil to the nearest collection point. Out of Zone Privilege transport pupils may be removed, with written notice, at any time for In-Zone Privilege and Entitled transport pupils.

Application forms can be obtained directly from your child’s school. For further information, see the Council website:

https://www.aberdeenshire.gov.uk/roads-and-travel/school-transport/school-transport/ or contact: school.transport@aberdeenshire.gov.uk

**Local Bus/Registered School Bus Services**

Some services operate as registered bus services. These operate on a fare paying basis and pupils will be required to pay fare to the driver or purchase a season ticket for travel.
26 Early Learning & Childcare Transport

Transport to early learning and childcare settings will not be provided by Aberdeenshire Council, unless there are relevant exceptional circumstances. Where there are significant additional support needs, transport may be provided. In such instances this requirement should be discussed with the Head Teacher in conjunction with the Early Years Quality Improvement Manager.

27 Special Schools and Enhanced Provision

Aberdeenshire Council may provide free transport where necessary for pupils who attend a school with enhanced provision proposed by the Authority. In certain cases, pupils may be encouraged to make their own way to school by public transport, and where this is authorised, bus passes are issued. Where a pupil’s address falls in the delineated area of a resourced school, and is within reasonable walking distance, the Authority will take advice from the Community Child Health Service before deciding if free transport should be provided.

28 School Closure & Other Emergencies

Head Teachers decide if and when schools should close due to bad weather or another emergency. In bad weather they will decide this after receiving information about local weather conditions. This decision can be made during any time, day or night. These guidelines outline the procedures for dealing with school closures during bad weather or other emergencies.

If children are at school...

School transport contractors have been told not to allow children to walk home alone from drop-off points under any circumstances during extreme weather conditions. If you can’t meet or arrange for your child to be met, the school transport will return them to a designated location.

Public service vehicles – drivers of these vehicles follow a specified route and keep to timetables – they cannot make special arrangements.

If your child attends a Nursery, Primary or Special School, which is to close early, the school will contact you by telephone. If this is not possible the school will contact your named ‘emergency contact’. No child will be released from school without contact being made. It is important contact details are current and the people named are available – particularly during bad weather.

If your child attends a Secondary School, because of the large number of pupils in Secondary Schools, parents will be contacted via text/email to inform them of closure.

If you are concerned about local weather conditions contact the school. You may wish to collect your child yourself and are free to do so provided you make arrangements with the school.

Before the start of the school day...

During bad weather some staff may not be able to get to school or bus routes may not be safe to travel on – so the school may have to close. Head Teachers will advise parents and carers using the following communication tools:
Outwith school hours, your local radio station is a good place to find out information on school closures. The following radio stations receive updated information every 30 mins from our website:

- **Northsound 1**  
  FM 96.9
- **Northsound 2**  
  MW 1035 kHz
- **BBC Radio Scotland**  
  FM 92.4 - 94.7 MW 810 kHz
- **Moray Firth Radio**  
  FM 97.4 MW 1107 kHz
- **Waves Radio**  
  FM 101.2
- **Original 106 FM**

**Twitter**  
http://twitter.com/aberdeenshire

**Aberdeenshire Council Website**  
https://online.aberdeenshire.gov.uk/Apps/schools-closures/  
You also have the option to sign up to receive email alerts when your school(s) updates their closure status:  
https://online.aberdeenshire.gov.uk/myAberdeenshire/

**School Information Line**  
Tel: 0370 054 4999 then 02 21 10. If you cannot get through first time, please do not put this number on redial. This will only lead to the line being busier.

**29 Storm Addresses**  
When there has been severe snow storm during the day it may be prudent for pupils who live some distance from the normal bus routes not to attempt to reach their homes but to spend the night in alternative accommodation nearer school. It is the parents' responsibility to inform school about any pupils who may be at risk in such situations and to provide the name and address of a relative or friend who is willing to provide overnight accommodation.

**30 Change of address and Parental Contact Details**  
To enable us to make easy contact with parents, the school would appreciate if any changes of address, telephone number of circumstances is notified in writing to the School Office. It is also important that the school has details of an Emergency Contact should it prove impossible to get in touch with parents in the event of an emergency.
31 Anti-bullying Guidance

What is Bullying?

Aberdeenshire Council Education and Children’s Services define bullying as the following:

Bullying takes place when the actions of an individual or group of people cause harm to someone by taking advantage of an imbalance of power within a relationship (whether perceived or real). Bullying behaviour can be persistent and/or intentional, but often it is neither.

Bullying can be verbal, physical, mental/emotional or cyber and is behaviour and impact. It can be intentional or unintentional, direct or indirect, persistent, or a one off incident. The impact is on a person’s ability to feel in control of themselves.

Bullying can be verbal, physical, emotional or cyber. It can be intentional or unintentional, direct or indirect, persistent, or a one off incident. People who experience bullying behaviour feel vulnerable and/or socially isolated.

What will the school do about it?

Schools should promote consistency of response to instances of bullying behaviour using a 6 step approach. They will:

1. Record the Incident
2. Speak to the individuals involved having frank and honest dialogue
3. Speak to parents
4. Utilise Restorative approaches
5. Monitor the situation
6. Review and increase response accordingly

More information can be found in our School’s anti-bullying statement, available on request from the School Office. This statement is periodically reviewed with parents.

32 (P) Primary School Lunches

Lunch time is an important aspect of the school day. Not only does it provide children with a nutritionally balanced meal, it enhances their social and personal development.
How does my child choose their lunch?
In class first thing in the morning children select their meal using the Smart Board. Meal options are displayed and a choice is made by touching the chosen option shown on the Smart board. The teacher will explain to children the menu options available on the day, but it is helpful for parents of the younger children to discuss this with them before they arrive in school.

The School Catering Service provides good value meals at our schools using carefully sourced quality ingredients. There is always a wide selection of options available from the menu. The menu and helpful information can be found via this link https://www.aberdeenshire.gov.uk/schools/school-info/meals/primary-school-meals/

Children with medically prescribed dietary requirements
Parents should be aware that they can access special dietary support information by viewing https://www.aberdeenshire.gov.uk/schools/school-info/meals/primary-school-meals/ to access OurShireMenus content portal.

Children who require medically prescribed dietary support, with parental/guardian assistance, should be identified during the admission process. Procedures are set in motion to offer support for these children by completing Admission Form D available from the school administration office. The School Management Team and the Catering staff will be happy to discuss your requirements.

Special Events and Celebrations
The children enjoy eating together and we encourage learning and wellbeing during lunchtime. Occasionally we celebrate special dates and encourage all children to participate.

If your child is going along on a school trip the school catering service can provide a nutritious packed lunch for the occasion and this includes children who qualify for free school meals.

How Much does a Primary School Meal Cost?
The current price of a Primary school meal can be found via the following link - https://www.aberdeenshire.gov.uk/schools/school-info/meals/primary-school-meals/

How do I pay for School lunches?
Lunches are provided free of charge for pupils from P1 to P3. Paying for School lunches is very easy to do online.

It is very important to keep this account in credit as failure to do so triggers a time-consuming debt recovery process for the School and Catering service. We aim to support the wider Authority to be debt free and require your support in this by ensuring you top-up your account before sending a child for school meals.

Online payments system
We are encouraging parents/carers to register for online school payments due to COVID-19 to eliminate handling of cash. Parentsportal.scot is the recommended way to register to access all school payments including school meals.

Parentsportal.scot is securely linked to a myAberdeenshire account and to register follow this link https://www.aberdeenshire.gov.uk/schools/school-info/parents-portal/

Please ensure there are always sufficient funds on your child’s account prior to sending them for school meals. There is a formal debt recovery process for accounts that fall into debt.

If you are having difficulty making payments please contact the school office as we are here to support families and will do whatever we can to assist you.

**Free School Meals Information**

Am I entitled to free school meals?

Click on the link to find information that explains the free school entitlement and how to go about it. Free School Meals

If you have difficulties obtaining access to free school meals please speak with your school and we will work together to provide assistance.

If you require any further information regarding School Catering send a message to this email address - schoolmeals@aberdeenshire.gov.uk

### 33 Healthcare & Medical

Every child’s health and welfare is very important to the school. Parents who have any concerns should let school know by telephoning or writing in. Alternatively parents can inform the Health Visitor or their own GP. Parents are requested to let the school know of any hospital appointments.

Parents/carers are requested to keep children at home for 24-48 hours if the child has diarrhoea, flu-like symptoms or is clearly unwell.

Always seek a GP’s advice before sending a child back to school. Please remember that other children can be vulnerable to infection.

The school is fortunate to have a nurse in attendance to undertake Health Interviews and provide advice on health matters for pupils. The school doctor will play a vital role in monitoring a child’s health and well-being.

Although our medical staff provide help and advice as appropriate, all pupils must be registered with a doctor in general practice who should be consulted about health matters as they arise. Parents should provide us with the name and telephone number of their child’s doctor and an up-to-date emergency contact for themselves in case it becomes necessary for a child to be sent home during school hours because of illness.

Aberdeenshire Community Dental Service inspect P1 and P7 children in schools as part of the National Dental Inspection Programme. Written parental consent is not
required for dental inspections, but parents will be informed in writing approximately one week before the inspection date.

Most pupils will at some time have a medical condition that may affect their participation in school activities. For many this will be short term; perhaps finishing a course of medication to combat an infection.

Other pupils have medical conditions that, if not properly managed, could limit their access to education. Such pupils are regarded as having health care needs. Most children with health care needs are able to attend school regularly and, with some support from the school can access most school activities. However, school staff may need to take extra care in supervising some activities to ensure that pupils are not put at risk.

Planning formats may include either:

- Health Care Plan written by Health professionals for very specific medical needs.

A risk assessment should also be completed.

The above can help schools to identify the necessary safety measures to support pupils with medical needs and ensure that they and others are not put at risk.

Please find the link below to our policy and guidance: Supporting Children and Young People with Healthcare needs and managing medicines in Educational Establishments

Sunscreen - As children are outdoors for learning and for play, parents should apply this prior to sending children to school or nursery. School staff do not supply, nor do they apply, sunscreen creams.

If your child has long term medical conditions such as asthma or diabetes, which may require on-going support, this should be fully discussed with the school. In certain cases specific training of staff about a child’s treatment may need to be given. In addition, some children have conditions which may require occasional staff intervention e.g. severe allergic conditions such as anaphylaxis.

### 34 Exclusion

The foundation for schools, learning establishments and education authorities is a whole school ethos of prevention, early intervention and support against a background which promotes positive relationships, learning and behaviour. Where pupils who display behaviour, whereby attendance at the school would be likely to be seriously detrimental to order and discipline in the school or the educational well-being of the pupils there, and where other forms of support have proved unsuccessful, the Authority exclusion policy may apply. For further information on exclusions contact the school or go to:

http://www.aberdeenshire.gov.uk/media/3901/policy_disc_exclusion.pdf
35 **Educational Visits**

We offer various educational visits during the course of the school year. We believe that ‘hands on’ experiences greatly enhance a child’s education, while also helping to make the necessary links between learning in school and life outwith school. Staff members and parent volunteers provide supervision to standards laid down by Aberdeenshire Education & Children’s Services. We give parents as much notification as possible with regard to visits their children will participate in.

36 **Instrumental Tuition**

From Primary 4 onwards, tuition is available for a range of musical instruments. All disciplines are taught in the secondary schools however not all disciplines are available in primary schools due to limited resources. Orchestral string instruments are not normally available to beginners at secondary level. Tuition is subject to availability.

For further information go to:

[http://aberdeenshire.gov.uk/schools/ims/](http://aberdeenshire.gov.uk/schools/ims/)

37 **Schools and Childcare – Coronavirus**

Information for parents, carers and young people on return to school arrangements in Aberdeenshire schools and early learning facilities.

- New term arrangements
- Contingency planning
- School meals
- School transport
- Family Information Service
- Shine a Light on Lockdown

If you are a British Sign Language (BSL) user, please watch our video explaining out schools and childcare arrangements. You can also contact us via contactSCOTLAND-BSL, an online British Sign Language interpreting service.

38 **Public Liability Insurance**

Aberdeenshire Council holds third party liability insurance, which indemnifies the Council against claims from third parties, e.g. parents on behalf of pupils who have suffered injury, illness, loss or damage arising from the negligence of the Council or its employees. In these circumstances all claims are handled on behalf of the Council by external Insurers and Claims Handling Agents and compensation is dealt with on a strict legal liability basis. This means that there is no automatic compensation, the Council has to be found negligent in order for any compensation to be offered by our Insurers and / or Claims Handling Agents.
Whilst the school will exercise reasonable care for pupils’ property, it is inevitable that property will be lost or damaged from time to time. Pupils’ property which is worn or brought to school or left in bags/cloakrooms is at their own risk. This includes but is not restricted to personal items such as jewellery, phones/tablets watches and bicycles. Aberdeenshire Council cannot accept responsibility for loss or damage unless caused by negligence of the school or staff.

39 School Off Site Excursion Insurance

Aberdeenshire Council has in place a School Excursion Insurance policy, whereby both pupils and teachers are covered for offsite activities / trips both within the UK and abroad (offsite meaning off the school premises). The policy covers medical expenses, loss of baggage, cancellation (as specified in the policy), curtailment and change of itinerary (along with other sundry benefits) etc. for worldwide trips and adventurous activities (including winter sports), subject to policy terms and conditions being met.

If personal items such as jewellery, phones/tablets, watches etc. are taken on a school trip then these are taken at an individual’s own risk and are not covered under the policy, unless damage or loss is caused by an Aberdeenshire Council employee.

Personal / individual cover is seen as a parental responsibility and it is your decision as to whether you feel it is appropriate to obtain this.

Please be advised, however, that the Duty of Care aspect below is not insurance related:

Duty of Care

The Authority has a duty of care in respect of pupils in its charge during school hours and as such has to take reasonable steps to ensure the safety of all primary and secondary pupils. This general duty of care continues if the children go home by way of school transport and ends when the child gets off the bus, at which point the parents then become responsible.

40 Data we hold and what we do with it.

As you are aware the new General Data Protection Regulations (GDPR (EU) 2016/769 came into force on Friday 25th May, 2018. This change to the law gives parents/carers and young people greater control regarding how their personal data is used.

Digital technology has advanced greatly over the years and the Data Protection Act was also updated last year to take this into account and make it fit for purpose (Data Protection Action 2018).

Aberdeenshire Council is committed to full compliance with these regulations. When you are asked for information by Education & Children’s Services, we will tell you why we are collecting the information, how long we will hold it and the legal basis for
gathering this information. A Privacy Notice has been issued to all schools relating to the information we hold on yourself and your child/ward.

41 The information we collect from you
Aberdeenshire Council collects personal data and information about your child in order to provide your child with a school education.

We will normally only share information (other than in child protection situations) in order to provide services for your child as part of his/her school education. We collect special category data about your child and process this because it is in the substantial public interest.

The information held by Aberdeenshire Council is used to assess, plan, coordinate, deliver and quality assure the education services to your child. The Council does not use an automated process for making decisions about your child or the services required; decisions are made with you. We will keep this information for a period of 5 years from the maximum school leaving age of your child, as required to by The Pupils’ Educational Records (Scotland) Regulations 2003, unless we have a legal responsibility to keep the information for a longer period of time.

42 Your Data, Your Rights
You have legal rights about the way the Council handles and uses your data. More information about all of the rights you have is available on our website at: https://www.aberdeenshire.gov.uk/online/legal-notices/data-protection/. Alternatively you can contact the Council’s Data Protection Officer by emailing DataProtection@aberdeenshire.gov.uk or in writing at: The Data Protection Officer, Town House, 34 Low Street, Banff, AB45 1AY.

You also have the right to make a complaint to the Information Commissioner’s Office, (www.ico.org.uk). They are the body responsible for making sure organisations like the Council handle your data lawfully.

The Council is required where it is data controller under the GDPR to act in a transparent manner by providing information to individuals about how it will collect and use their personal data. Privacy Notices are an essential part of complying with this requirement. The Privacy Notice must provide information to individuals in a concise, transparent, intelligible and easily accessible way and must be written in clear and plain language. There are a number of examples available on http://publications.aberdeenshire.gov.uk/dataset/education-privacy-notices.

43 Parental Access to Records
Access Requests are the formal process by which individuals can seek information held about them (or their children) by the council. The requests can be broad, in terms of everything that is held, or quite specific - everything held by a specific department, establishment, team or individual. We have a legal requirement to provide the information under the Data Protection Act 2018. An Access Request is wider than an Educational Record in that it will include all personal data held about a child not just their educational record. Further information can be found at:
The Pupils’ Educational Records (Scotland) Regulations 2003 means that you can get access to your child’s records. Details of the regulations and process for obtaining information specific to pupils are available by contacting the school directly or can be found at:

https://education.gov.scot/parentzone/my-school/general-school-information/My%20child's%20record

44 Information Sharing

In terms of effective communication, including sharing relevant and proportionate information, where appropriate, Aberdeenshire Council in accordance with the Data Protection Act 2018 and Human Rights Act 1998 adheres to this as part of our current routine practice.

45 ScotXed

ScotXed is a term used to represent the Scottish Government’s Education Analytical Services, which is part of the Scottish Government’s Learning Directorate.

ScotXed have legal powers to request data with regards all children and young people being educated in Scotland’s schools, with the information collected about pupils and staff in schools used to help to improve education across Scotland. They do not collect the names of your child/children and they do not receive any contact details the school may have for you (e.g. telephone number, email address), and no information is published or made publicly available that would allow your child/children to be identified. More information on what and why they need data about your child/children, along with how they collect and store it is available in their Education Statistics Privacy Notices for parents and carers:

https://www2.gov.scot/Topics/Statistics/ScotXed/SchoolEducation/ESPrivacyNotices

If you have any concerns around the national ScotXed data collections, you can:

- Contact the Data Protection & Information Assets team at the Scottish Government on dpa@gov.scot, or
- The Head of Education Analytical Services, Mick Wilson, on at mick.wilson@gov.scot,
- You can write to them at Education Analytical Services, Area 2A-North, Victoria Quay, Leith, EH6 6QQ.
- Alternatively, complaints may be raised with the Information Commissioners Office at casework@ico.org.uk.

Nursery Information

Welcome to Longside Nursery

There are lots of new friends to meet and stories to share. We hope that your child will be happy and benefit from their nursery experience. We believe that communication is so important and
hope this booklet will help you and your child start nursery feeling informed and ready for the journey ahead. We look forward to meeting your child during their induction period and answering any questions they or you may have. This is the start of a very special time and we look forward to sharing the journey with you.
