Introduction to Udney Green School

As Head Teacher, I hope that the partnership between home and school will be productive and enjoyable and that your child settles and enjoys his/her time with us.

We take pride in the fact that this is a happy and industrious school with a real sense of team spirit and we value that the education of their child/children is shared with parents, who have a very important role to play. This handbook aims to explain how that partnership develops successfully through help, support and expectations. Early communication from parent or school will help to promote this partnership also.

School Contact Details

Head Teacher	Miss Emma Gibb
School Name	Udney Green School
Address	Udney Green, Ellon, Aberdeenshire, AB41 8LR
Telephone Number	01651 267395
Website	http://www.udnygreen.aberdeenshire.sch.uk/
Parent Council Email (c/o school)	udnygreen.sch@aberdeenshire.gov.uk

Adverse weather and emergency closure

<https://online.aberdeenshire.gov.uk/Apps/schools-closures/>

Udney Green School is a non-denominational school with a role of 51. The school serves Meldrum Academy catchment area.

Devolved budgets are managed in accordance with authority guidelines in order to support planned improvements in the school.

Relationships and partners...

Udney Green School is situated in a rural setting and has a small intake therefore children learn in multi composite classes and may be taught by the same teacher for a number of consecutive years. Teachers plan for children to learn as individuals, in groups, as a class and at times as a whole school. Learning in a small school affords children with more opportunities for practical application of skills, to take on

responsibilities and contribute significantly to the ethos and life of the school and the community.

Our focus, commitment & ethos...

The class teachers, pupil support assistants, and visiting specialists formulate our small core learning and teaching team.

Teachers and pupil support assistants have whole school responsibilities for learning, teaching and assessment in the three responsibilities of all

- Health and wellbeing across the curriculum
- Literacy across the curriculum
- Numeracy across the curriculum

We have also identified our key strengths, expertise and talents across the contexts and curriculum areas. Teachers have responsibility for leading the planning, teaching, assessment and moderation of their areas of expertise.

Being in a class with children of different ages has a number of advantages.

- Children will often be grouped according to how much and how well they are learning at a particular level rather than by their age.
- Generally learning with children of different ages and stages provides opportunities for children to revisit prior learning and reinforce understanding but they are also aware of next steps in learning as they observe and listen while others are being taught.
- Many children in multi-composite classes are driven and ambitious in their learning, eager to attain and achieve as well, if not better than their older peers.
- Whole class learning conversations benefit from open and honest contributions often from younger learners to more in-depth and thoughtful contributions often from older learners.
- Teachers, PSAs and children know each other very well

However, learning with the same group of children for a consecutive number of years is challenging therefore teachers at Udney Green School:-

- Are ambitious for and have high expectations of learners at all times
 - Use agreed responsibilities to maintain high standards of achievement
 - Carefully plan to ensure progression in skills and knowledge are taught through a four year programme of relevant and flexible contexts.
 - Use the significant aspects of learning and progression frameworks when planning for learning. Please note Aberdeenshire are currently developing benchmarks and their own progression frameworks
 - Share learning intentions and agree success criteria and assessment evidence
 - Use plenaries to support learners to reflect upon, document and gather evidence of their learning so that they understand how much and how well they have learned and can plan for next steps.
 - We aim to make as many connections as possible and enable as many learning conversations as we can by embedding the use of Glow in our learning, teaching and assessment approaches. We will use the school site newsfeed, learning blogs, cluster site and relevant national sites.
-

Locally, our learning community comprises of the children who are enrolled at Udney Green School, their parents and carers, teachers, support staff and members of the community. There is a strong sense of community and this enables us to plan for learning experiences with parental and community support.

Our local learning community is relatively small therefore we strive to make connections beyond Udney Green School with Meldrum Cluster Schools, other schools in Aberdeenshire, Scotland and beyond. We encourage partnerships with the wider community and are always looking to engage with other experts, organisations, charities and more, to enable us to learn from and with a Scotland wide and at times global learning community.

Our location impacts our progression of learning contexts, bundling of experiences and outcomes and our learning, teaching and assessment approaches.

Organisation of the school day

Our standard school day is as follows:

Primary 1 – 7	9.00am - 3.15pm
Interval	10.30am - 10.45am
Lunch	12.15pm - 1.15pm

Our staff team

Udney Green School has 1 full time teacher and 3 part time teachers. The Head Teacher is class committed 2/3 days per week. We also have a visiting Additional Support for Learning teacher who provides support for learners one morning per week. The school plans closely with a range of other support agencies and volunteers in order to provide the best possible experience for children with additional support needs.

The teachers and learners are supported by 2 pupil support assistants, 1 administrator/admin support assistant, 2 kitchen staff, 2 cleaners and a part time janitor.

Further support can be offered to our learners from the intervention prevention staff and pupil support workers who work in all schools throughout the Meldrum cluster when required.

Our Vision, Values and School Ethos

Udney Green School Learning Community is ambitious for the young learners it serves. Our shared vision and values outline our purpose and these together with our unique location and features inform our curriculum design.

Our school vision:

Growing Ourselves as Lifelong learners Daily

At Udney Green we provide a happy, caring, achieving and inclusive environment that ensures our children reach their full potential. We are **GOLD**.

Understanding discovery nurture you **Growth mindset responsibility effort enjoyment nature**

What do we aim to achieve for our children/pupils

At Udney Green our **AIM** is to work as a T.E.A.M –

Article 3 (best interest of the child)

Together Working cooperatively developing our knowledge and skills of how to work effectively as part of a team.

Article 12 (respect for the views of the child)

Everyone Pupils, parents, staff and the wider community are actively involved in the life and work of the school.

Article 5 (parental guidance and a child's evolving capacities)

Achieves motivated to accomplish and achieve the goals we set ourselves.

Article 29 (goals of education)

More always striving to go above and beyond in everything we do.

Article 29 (goals of education)

Our work is underpinned by our Curriculum Rationale which is created and inspired by our unique setting and designed to encourage -

Growing Ourselves as Lifelong learners Daily

Positive Behaviour Management

We currently hold the Rights Respecting Schools bronze award and are working towards our silver award.. The United Nations Convention of the Child details the special care and protection children are entitled to by law in Scotland and beyond. The Convention sets out these rights in 54 articles.

Each year we create a 'Whole School Charter' after learning about the UN Convention of the Child and agreeing that everyone needs to make the effort. After this year's charter was

decided we ran a competition for P1-3 pupils and P4-7 pupils to design posters to reflect the charter they had chosen. These are our winning designs depicting the Whole School Charter.

There is a zero tolerance attitude towards hurting others, damaging property and using bad language. If your child was to do any of these things they would lose either their next break time or lunch time as a consequence.

Promoting Positive Behaviour

If a child has made an achievement, either in or outside of school, then their photo and information regarding their achievement is displayed on our "Wall of Fame". This encourages a positive ethos within the school.

We promote leadership in our learners and provide opportunities for all to take on responsibilities to lead learning. We currently have opportunities for learners to be part of the school pupil council, Rotakids, eco team, technology team and library team. Promoting responsibility and leadership encourages learners to develop skills for life.

Your child is allocated to one of three school houses - Bronie, Coullie and Denend. Each House is led by a Captain who is supported by a Vice Captain who are appointed by vote after presenting their strengths, talents and leadership qualities to their House members. Each House has a legend and chant, the children proudly perform their chants to motivate them and encourage group cooperation and identity before participating in House Challenges. Learners are awarded House Points in a variety of ways and these points are totalled at the end of the year and the winning house receives The House Shield.

Curriculum

Within our school, we aim to provide a curriculum that is both inclusive and ambitious for all – a curriculum which is both academically challenging as well as providing opportunities to develop skills for learning, life and work.

Our curriculum will be based around the four capacities of Curriculum for Excellence – to ensure our pupils are successful learners, confident individuals, effective contributors, and responsible citizens. Our curriculum will also reflect the principles of curriculum design to ensure breadth, depth, personalisation & choice, challenge & enjoyment, progression, coherence, and relevance. We will therefore, have a curriculum which we will adapt continuously over time to meet the needs of our pupils.

Following the principles of Curriculum for Excellence, achievement of children and young people is celebrated in its broadest sense. This means looking beyond formally assessed learning, to recognise activities like volunteering and participation in arts, sports, and community-based programmes. This approach complements the nurturing and aspirational outcomes of Getting It Right for Every Child, and our aim in Aberdeenshire to overcome inequality by Raising Attainment for All, promoting Equity and Excellence in schools, and Closing the Gap. Further information on the school's approach to Curriculum for Excellence including information for parents, can be found on the school website at: <http://www.udnygreen.aberdeenshire.sch.uk/>.

Curricular Areas

- **Literacy and English Language:** Listening, Talking Reading, and Writing.
- **Numeracy and Mathematics:** Number, Money and Measure, Information Handling, Shape, Position and Movement.
- **Health & Wellbeing:** Mental, emotional, social, and physical wellbeing, Physical education, activity and sport, Food and health, Substance misuse, Relationships, sexual health and parenthood.
- **Social Studies:** People, past events and societies, People, place and environment, People, society, economy, and business.
- **Sciences:** Planet Earth, Forces, electricity and waves, Biological Systems, Materials, Topical Sciences.
- **Technologies:** Technological developments in society, Business technology skills and knowledge, Computing science, Food and textiles, Craft, design, engineering, and graphics.
- **Expressive Arts:** Music, Drama, Art and Design and Dance.
- **Religious and Moral Education:** Christianity, World Religions, Development of beliefs and values.
- **Modern Languages:** French and Doric

Curriculum Design

Our curriculum is designed based on the following 7 principles:

- Challenge and enjoyment
 - Breadth
 - Progression
-

- Depth
- Personalisation and choice
- Coherence
- Relevance

Developing Young Workforce

Developing the Young Workforce (DYW) is the Scottish Government's Youth Employment strategy to better prepare young people for the world of work.

Developing the Young Workforce is embedded in Scotland's Curriculum and along with the Curriculum for Excellence and Getting it Right for Every Child (GIRFEC) it is one of the three main building blocks underpinning Scotland's education offer for children and young people.

The DYW Aberdeenshire priorities are as follows:

- Development of the **DYW Curriculum** offer including embedding the Career Education Standard Entitlements 3-18 and the further development of BGE pathways and Foundation Apprenticeships in the senior phase.
- **Skills Development** – embedding skills for learning, life and work (**Metaskills**) and skills profiling
- **Partnership** Development, including partnership with employers
- Support for **Equalities**

As part of the 3-18 curriculum, pupils will develop skills for learning, life, and work and Skills 4.0 and Metaskills. Throughout their time in school, from Early Years onwards, all pupils will have an opportunity to engage with employers, through experiences like workplace visits, career talks, employability events and courses, work experience and curriculum based activities. They will also have the opportunity to learn about further and higher education as well as different career pathways into employment.

In S4-6, pupils will be given the opportunity to study for vocational qualifications, including Foundation Apprenticeships, alongside the more traditional qualifications.

Further information for parents on Foundation Apprenticeships can be found [here](#)

Curricular Levels

Early	The pre-school years and P1, or later for some.
First	To the end of P4, but earlier or later for some.
Second	To the end of P7, but earlier or later for some.

Third and Fourth

S1 to S3, but earlier for some. The fourth level broadly equates to Scottish Credit and Qualifications Framework level 4. The fourth level experiences and outcomes are intended to provide possibilities for choice and young people's programmes will not include all the fourth level outcomes.

Development of Spiritual, Moral, Social and Cultural Values

In our school we are committed to providing appropriate opportunities for the development of pupils' spiritual, moral, social and cultural values through both the ethos and the curriculum.

Our Curriculum Rationale

The curriculum at Udney Green is created and inspired by our unique setting and designed to encourage-

Growing Ourselves as Lifelong learners Daily

At Udney we imagine our curriculum to be like one of the many beautiful trees surrounding our school building.

The Roots

The roots of the tree underpin our whole curriculum, providing a solid foundation for it to grow and blossom.

Extra-Curricular Activities

At Udney Green School some extra-curricular activities are also provided. We rely upon the goodwill of staff and the support of parents in running these clubs. Information regarding current clubs (including those led by Active Schools) and extra-curricular activities will be communicated throughout the year via school bulletins. A range of cultural, sporting and arts opportunities are offered as these become available.

1+2 Language Learning

The Scottish Government policy 'Language Learning in Scotland: A 1+2 Approach' is now embedded in our curriculum. Children are growing up in a multilingual world and to allow them to take their place as global citizens, they need to be able to communicate in many settings. This approach entitles every child and young person to learn two languages at school in addition to their mother tongue language.

In our School the first foreign language will be French. This language will be learned from P1 (in Primary School) through to S3 (in secondary school). For more information go to www.aberdeenshire.gov.uk

<http://aberdeenshire.gov.uk/schools/information/gaelic-in-schools/>

The parent or carer of any child or young person can make a request for their child to attend to any school which offers GMPE. This will enable your child to be taught by specialist staff. As there are currently no schools in Aberdeenshire which have GME provision learners are transported to school in Aberdeen City.

Further Information

Further information on the school's approach to Curriculum for Excellence including information for parents, can be found on the school website at:

<http://www.udnygreen.aberdeenshire.sch.uk/>

More general information on Curriculum for Excellence and the new Qualifications can be found by clicking on the hyperlinks below.

National Qualifications:

<https://www.sqa.org.uk/sqa/58062.3806.html?pMenuID=5605>

Assessment and Reporting

Pupils move through the curriculum at their own pace. A wide range of assessment techniques are used in school depending on what is being assessed and the reason for the assessment e.g.

- Observation of what the pupils “say”, “write” and “do”.
- Homework
- Self and peer assessments
- Marking of class work and other individual/class assessments
- Ongoing tracking and monitoring procedures in school
- Scottish National Standardised Assessments (P1, P4, P7 and S3)

Progress will be evidenced using a variety of approaches that best reflect the learning that has taken place and will track the skills that your child or young person is developing.

Assessment is ongoing throughout the Broad General phase and is a continuous process which influences the goals set for your child. As part of assessment, each year children and young people in P1, P4, P7 and S3 will participate in the Scottish National Standardised Assessments (SNSA). These national assessments are completed online and provide teachers with immediate feedback on each child or young person’s progress in literacy and numeracy. Children and young people do not have to prepare or revise for the assessments, which take place as part of normal learning and teaching. The assessments do not have any pass/fail mark and the results are used to help teachers plan the next steps in learning for each child/young person. Further information on SNSA is available at

<https://www.gov.scot/publications/scottish-national-standardised-assessments-purpose-and-use/>

The results of children’s achievements are discussed with them regularly so that they are involved in taking responsibility for their own learning. This may take the form of oral discussion and/or written comment. In this way, it is hoped to assist the pupil identify what has been learned and the next steps to their learning. Children regularly set targets in their work.

Parents will be informed of progress:

- through pupil profiles/learning logs
- through parent consultation evenings and other meetings
- through curriculum/learning events/parent workshops
- by the annual school report
- Individual Education Plans and associated documents

Parents and carers are encouraged to contact the school at other times throughout the year to discuss their child’s progress.

Secondary schools: Assessment & Reporting in the Senior Phase (S4-S6)

In the Senior Phase pupils embark on the National Qualifications.

As pupils enter this phase, they are set an aspirational target grade for each subject they are studying. This forms the basis for learning conversations between staff and pupils to discuss progress and identify next steps. This is shared with parents/carers through TRACKING Reports.

Further Information on Assessment, Reporting & Profiling can be found on Parentzone:

<https://education.gov.scot/parentzone/curriculum-in-scotland/assessment-in-the-senior-phase/>

Transitions (Moving On)

We understand that transitions especially at P1 and S1 stages can be anxious times for parents and learners. At Udney Green School we have arrangements in place to support transitions and these are outlined below.

Transfer to Primary 1

In order to support and ease transition into P1, we arrange an induction event/meeting for you and your child. This event is planned to allow you and your child to become familiar with the school building, to meet staff, to meet with the other children including your child's buddy and to find out about life in school and what you can do to support your child's transition into P1. The induction process starts in your child's pre-school year, with P1 staff arranging to visit your child in their pre-school setting wherever possible in order to begin to get to know your child.

Induction meetings are arranged for parents and children around May/June in order to share information about starting school and how you can help your child at home. This is also an opportunity for parents and child to meet their child's teacher and to ask any questions or share any information.

Parents are also invited to join their P1 children for a school lunch.

Information communicating details of P1 induction arrangements along with dates will be communicated directly to prospective P1 parents around April.

Transfer to Secondary Education

Most children from Udney School attend Meldrum Academy in Oldmeldrum. (Telephone Number 01651 267470).

Udney Green School is part of the Meldrum Community Schools Network. An induction programme for P7 is in place to help ease the transition into S1. P7 learners spend 3 days at Meldrum Academy towards the end of the summer term. Further information is communicated to parents about the induction calendar for secondary school around February each year. Parents also have the opportunity to visit Meldrum Academy where information will be shared and questions can be asked.

Liaison between Udney Green Primary and Meldrum Academy is very good. During the P7 year, learners have many opportunities to join with P7 learners from the other Meldrum Community Schools Network. Transition invites to the academy and other ad hoc activities are arranged for P7 learners to get together.

Information about our P7 learners is shared with pastoral care at the academy to help support appropriate continuity of education. Parents are welcome to attend these information sharing meetings, especially when additional support has been provided previously.

Meldrum Academy staff also visit our learners in Udney Green Primary where information is shared and questions can be asked.

Parent information evenings are also provided, along with videos to support this process.

Visit Parentzone for more information about transitions:

<https://education.gov.scot/parentzone/my-child/transitions>

1 Admissions

Nursery Admissions.

Early in each calendar year, all parents/carers should complete an application form available on the 'Nurseries and childcare' pages of the Aberdeenshire website. The application form can be found here:

<https://online.aberdeenshire.gov.uk/schooladmissions/elc>

Primary Admissions

New entrants to P1 are enrolled early in the calendar year for entry to school in August. This is for children who will be five on or before the school start date in August. Those that have their fifth birthday between the August start date each year and the end of February the following year, may also be admitted. Go to:

<http://aberdeenshire.gov.uk/schools/information/primary-school-registration/>

To view the school catchment area for your address, go to:

<https://aberdeenshire.gov.uk/schools/school-info/admissions/school-zones/>

2 Placing requests & School Zones

For all advice and information on placing requests and guidance on school catchment/zones go to:

<http://aberdeenshire.gov.uk/schools/information/choosing-a-school>

Your child would normally attend a school within the school catchment area (zone) close to where you live. However, you can request that your child attends a school in another zone (out of zone). Please follow the links for more info:

[Out Of Zone Placing Request Policy & Procedures](#)

Support for Children and Young People

3 Getting it Right for Every Child

Getting It Right for Every Child (GIRFEC) is the national policy approach in Scotland which aims to support the wellbeing of all children and young people, by offering the right help, at the right time, from the right people. Certain aspects of this policy have been placed in law by the Children and Young People (Scotland) Act 2014.

Aberdeenshire's Children's Services Planning Partners are strongly committed to fully embedding the Getting it Right for Every Child approach. This shared commitment is expressed through the vision statement of Aberdeenshire's Children's Services Plan, which Aberdeenshire's Schools play a key part in delivering:

Its vision is that:

'Our commitment to Aberdeenshire's children and young people, is to provide them with the right support, in the right place, at the right time.

In helping them reach their individual potential and goals, we will work together to make Aberdeenshire the best place in Scotland to grow up'

You can find out more about our Children's Services Plan at:

<http://www.girfec-aberdeenshire.org/who-we-are/our-childrens-services-plan/>

4 Wellbeing

The Getting it Right approach is reflected in agreed local processes for assessing need and planning support for individual children and young people. In Aberdeenshire, we have a strong ethos of partnership working, with a shared sense of professional accountability for improving the wellbeing of children, young people and families.

Getting it Right for Every Child (GIRFEC) is about safeguarding, supporting and promoting children and young people's wellbeing and ensuring support is provided if, and when, this is needed. GIRFEC is:

- Child-centred
- Holistic
- Accessible and responsive
- Joined up
- Rights-based

The concept of Wellbeing is at the heart of the GIRFEC approach and is defined in Part 18 (s96) of the Children & Young People (Scotland) Act 2014, through eight Wellbeing Indicators. These Wellbeing Indicators reflect the Scottish Government's aspiration for all Scotland's children and young people to be Safe, Healthy, Achieving, Nurtured, Active, Respected, Responsible and Included.

These 8 Wellbeing Indicators need to be met in order for children and young people to grow and develop into confident individuals, effective contributors, successful learners and responsible citizens.

The Getting It Right approach means services will work in partnership with children, young people and their parent/carer(s) and we want every child at our school to feel happy, safe and supported to fulfil their potential.

Getting It Right for Every Child (GIRFEC)

Taking care of our children's well-being and making sure they are alright - even before they are born - help us ensure the most positive outcomes for them later in life. It gives them the potential to grow up ready to succeed and play their part in society.

'Getting It Right for Every Child' is a programme that aims to improve outcomes for all children and young people. It promotes a shared approach that:

- Builds solutions with and around children and families
- Enables children to get the help they need when they need it
- Supports a positive shift in culture, systems and practice
- Involves working together to make things better

Getting it right for every child is the foundation for work with all children and young people, including adult services where parents are involved. It builds on universal health and education services, and is embedded in the developing early years and youth frameworks.

Developments in the universal services of health and education, such as Better Health Better Care and Curriculum for Excellence, are identifying what needs to be done in those particular areas to improve outcomes for children.

The Getting it Right approach looks at eight areas of 'well-being'. These are recognised as areas in which children and young people need to progress in order to do well now and in the future. They allow those responsible for the care and support of children - including members of their own families - to look at a situation in a structured way that will help them identify any needs and concerns and plan with the child and family any action they need to take.

The approach gives them a common language and a way to gather information about a child's world, making sure the child is growing and developing, and has everything they need from the people who look after them both at home and in the wider community. It also encourages practitioners to think about who else might need to be involved (for example a teacher might need to contact other professionals to make sure that an education improvement plan with the child and family was meeting all the child's needs).

5 Children's Rights

Every child/young person has rights in addition to human rights. These are called Children's Rights, and they're written in the United Nations Convention on the Rights of the Child. They outline what children need to give them the best chance of growing up happy, healthy and safe. Adults such as parents, schools, councils and governments have a responsibility to make sure that children access their rights.

The United Nations Convention on the Rights of the Child is a statement of children's rights. It has 54 articles that cover all areas of a child's life and it sets out the political, civil, economic, social and cultural rights that all children are entitled to.

UNCRC is now firmly embedded in Scots Law. This will ensure that rights are binding rather than guiding and all levels of government must apply the rights in legislation, policy and practice.

Children and young people are learning about these rights in school and some schools take part in The Rights Respecting Schools programme, a UNICEF accredited programme to support schools in developing rights-based practice as part of the school ethos.

In our schools we will:

- Raise awareness of Children's Rights, and how rights can be accessed
- Ensure Children's Rights are provided and protected by the adults who support our children and young people
- Provide a variety of opportunities for children and young people to get involved in decision-making
- Make sure children and young people's views influence how we develop services
- Support children and young people to express their views
- Listen to and act on children and young people's views on what we do well, and what we could do differently

More information for parents on Children's Rights can be found here

[Parent Club Children's Rights leaflet.pdf](#)

Aberdeenshire Council has endorsed a Children and Young People's Charter. You can find out more about Children's Rights and opportunities for participation at:

<http://www.girfec-aberdeenshire.org/home/children-and-young-people/>

6 The named person

Prevention and early-intervention are seen as key to the Getting It Right approach in achieving positive outcomes for children and young people. By providing support at an early stage, most difficulties can be prevented from escalating.

One way the Scottish Government has decided this should be taken forward, is by making a named person available to every child and young person in Scotland. From birth to prior to starting school, the named person Service is provided by your Health Visitor. The Education Service provides the named person Service for all children on entry to Primary One, until aged 18 (or beyond where a young person remains at secondary school). In Aberdeenshire the named person will be either the Primary Head Teacher or Deputy Head Teacher and in Secondary School the named person will be that young person's allocated Principal Teacher of Guidance (with a few exceptional circumstances).

The purpose of the named person role is to make sure children, young people and parents have confidence that they can access help or support no matter where they live or what age the child is. Acting as a central point of contact, the named person can help children, young people or parents/carers get the support they need if, and when, they need it.

The named person can help by:

- Providing advice, information, or support
 - Helping a child, young person, or to access a service or support
 - Discussing or raising a wellbeing concern about a child or young person.
-

- Being a key contact point for other professionals if wellbeing needs are identified for a child or young person.

There is no obligation for children and young people or parents to accept any offer of advice or support from the named person. Non-engagement with a Named Person is not in itself a cause for concern. The named person Services are currently delivered on a national policy basis.

For more information you can contact your child or young person's named person directly, or go to:

<https://www.gov.scot/policies/girfec/named-person/>

The Named Person for your child/young person is: **Miss Emma Gibb**

7 The Child's Plan

The *Getting It Right* approach makes sure children and young people are provided with a range of support, which is proportionate and put in place to meet assessed need. This is reflected in Aberdeenshire's staged approach to assessment and planning for individual children and young people, shown below.

- Universal Services (Core Provision)
- Universal Services (Support Generally Available)
- Universal Services (Targeted Support) Targeted and Specialist Services (Multi-Agency)

For a small minority of children or young people, there might be higher levels of wellbeing need or risk identified. These children may require a level of targeted support, which needs to be co-ordinated on a single or multi-agency basis through a Child's Plan.

Where a child or young person needs one or more targeted supports, the benefit of a Child's Plan will be discussed with them and their parents/carers. An assessment using the National Practice Model (My World Triangle/Resilience Matrix) would help to identify any wellbeing needs (*Safe, Healthy, Active, Nurtured, Achieving, Resected, Responsible, Included*) and highlights strengths and pressures in the child's situation. Families are fully involved as key partners in these discussions.

The Child's Plan will outline what action will be taken by the child, their family and professionals, and detail how these supports aim to help improve the child or young person's Wellbeing and overcome any difficulties.

A Lead Professional will be identified to co-ordinate and manage a multi-agency Child's Plan.

Information is available on the Aberdeenshire *Getting It Right for Every Child* Website:

<http://www.girfec-aberdeenshire.org/>

8 Educational Psychology

The Educational Psychology Service (EPS) provides a service across Aberdeenshire from the early years to school leaving age.

When there are concerns about a child or young person's learning or wellbeing an Educational Psychologist can support others to assess needs and problem solve their way through potentially difficult and complex situations. Consultation with people who know the child best forms the basis of Educational Psychology assessment. The purpose is to explore and understand the concern and support people to come up with solutions that will work in that particular context. More information about consultation can be found on the Educational Psychology Service website:

<https://blogs.glowscotland.org.uk/as/aberdeenshireeps/about-us/>

The website also has a range of helpful resources available for all parents:

<https://blogs.glowscotland.org.uk/as/aberdeenshireeps/parent-information/>

9 Universal Inclusive Offer to all Children and Young People

Aberdeenshire Council is committed to children and young people being educated within their local mainstream school. Education staff work with the families of children with additional support needs to identify their needs and agree the adaptations that are required to meet those needs. This may include, for example, curricular adaptations, teaching and learning approaches, support strategies, environmental adaptations, communication requirements, specialist equipment or staff undertaking professional learning.

All Aberdeenshire Schools take a solution-focused approach to overcoming any barriers to inclusion. They seek advice and support from relevant Education Support Services and multi-agency partners as appropriate.

A whole school inclusive approach embeds practices in the everyday life of a school that are known to be effective in supporting pupils with additional support needs. These practices often also benefit other learners who do not have additional support needs. There are a number of whole school inclusive approaches that are being implemented in all Aberdeenshire schools as part of our universal offer to all children and young people. These include:

1. The CIRCLE Resource to support inclusive learning & collaborative working.
2. Play Based Learning Approaches and Playful Pedagogy.
3. Staff who have the knowledge and skills required to understand and support autistic learners.
4. Staff who adopt dyslexia friendly approaches and who are able to identify and respond to difficulties that pupils with dyslexia may encounter.
5. Staff who are trauma informed and adopt nurture approaches to sensitively support children who may have experienced trauma or adversity.
6. A supportive and effective communication environment which uses every means of communication available to ensure learners understand and can be understood.
7. Use of restorative approaches to restore and maintain good relationships when there has been conflict and harm.
8. Staff who are culturally responsive, aiming to connect pupils' cultures, languages and life experiences with what they learn in school

10 Support for Learning

Children and young people may require support for learning at some point in their lives for a range of reasons. Some children may need a lot of support all the way through school. Others may need only a small amount for a short time.

A child or young person has additional support needs if, for any reason, they need extra or different help than others their age to benefit fully from their education.

Reasons for requiring support might include:

- Missing school because of an illness or long-term condition
- Having a physical disability
- Being a young carer
- Communication difficulties
- Being particularly able
- Changing school a lot
- Being looked after or care experienced
- Difficulty in controlling behaviour
- Having a difficult family situation
- Suffering a bereavement
- Social and emotional factors

Each school cluster has an allocation of Teachers of Additional Support for Learning (ASL) who are employed to support pupils with additional support needs. They work

across each cluster in primary and secondary in partnership with school staff, parents and other professionals (if appropriate). They identify barriers to learning, assess children's needs and support learning and teaching through a relevant curriculum.

Pupil Support Assistants (PSAs) assist teachers in promoting achievement and raising the standards of pupil attainment. They provide general support in relation to the needs of the class and individuals' care, health and wellbeing and safety and to promote a secure and safe environment.

11 Enhanced Provision and Complex Need Provision

Aberdeenshire Council is committed to meeting the additional support needs of children and young people in their local mainstream school. Planning starts an exploration of what steps need to be taken for their local school to be ready to welcome them. This includes consideration of, for example, curricular adaptations, teaching and learning approaches, support strategies, environmental adaptations, communication requirements, specialist equipment or staff professional learning needs.

All 17 Academies are Enhanced Provision Schools, and there is a dedicated Primary School within each of Aberdeenshire's 17 school clusters. Enhanced Provision Schools have enhanced staffing and resources to meet additional support needs. Some children may require outreach support from the Enhanced Provision to ensure their needs are fully met in their mainstream setting. This may involve advice and consultation to staff, or direct support to the pupil from, for example, an Enhanced Provision Outreach Practitioner, Pupil Wellbeing Worker or Nature Nurture Practitioner. Some children and young people will require more targeted support through an Enhanced Provision place. This involves them physically attending the Enhanced Provision on a full-time or part-time basis. Such placements are offered from Primary 3 upwards.

A very small number of children and young people will require access to specialist staff and resources beyond that which can be provided within a mainstream or enhanced provision setting due to the significance and complexity of their learning needs. Aberdeenshire's Complex Needs Provision includes four Special Schools and five Provisions which are integrated within mainstream settings (often referred to as Integrated Complex Needs Provision). Both types of Complex Needs Provision meet significant and complex learning needs, with pupils accessing the Complex Needs Provision which their home address is zoned to.

For more information on all our resources and policies go to:

<http://asn-aberdeenshire.org/>

12 Child Protection

Child protection is the responsibility of all who work with children and families regardless of whether or not they come into direct contact with children. All staff must be fully informed of their responsibilities with respect to keeping children safe. All services working with children, young people and families are expected to identify and consider the wellbeing of children and to share concerns appropriately. Our Child Protection processes uphold children's rights.

In Aberdeenshire we recognise that physical and emotional safety provides a foundation for wellbeing and healthy development. The Aberdeenshire's Child Protection in Education Guidance is based on the [National Guidance for Child Protection in Scotland 2021- updated 2023](#), and provides guidance for school based staff on [protecting children and young people](#).

Equal Protection from Assault (Scotland) Act 2019.

The Children (Equal Protection from Assault) (Scotland) Act 2019 provides children with the same rights as adults against assault by a parent or person with charge or care of them.

Within our school we have a designated member of staff appointed to be responsible for Child Protection matters. If there is the possibility that a child could be at risk, the school is required to follow the Child Protection Procedures laid out for Education.

This may mean that the child is referred to Social Work, the Police or the Children's Reporter. In our school **Miss Emma Gibb**

Remember – if you suspect a child is at risk, do not rely on someone else to notice.

If you would like to speak to someone, seek help or pass on information or concerns:

You can speak to designated staff in our school

Social Work Monday to Friday during office hours contact your Children & Families local [Social Work Office](#)

Evenings & Weekends call the Out of Hours Service on 03456 08 12 06

Police Emergency 999, Non-Emergency 101

Signs of abuse can range from poor personal hygiene and hunger to unexplained injuries or self-harm.

If a child or young person tells you they are being abused:

- stay calm and listen to them
- never promise to keep it a secret – tell them you must let someone else know
- remind them that they are not to blame and are doing the right thing
- report it, but leave any investigation to Child Protection agencies

Protecting Aberdeenshire's children and young people is everyone's business, further information can be found on <http://www.girfec-aberdeenshire.org/child-protection/>

Enquire – National Parent Information Service and Helpline

<http://enquire.org.uk/>

Parent & Carer Involvement and Engagement

The term “parents” refers to anyone with parental responsibilities and others who care for or look after children or young people.

Both globally and nationally it is recognised that parents are the single most important influence on their children’s development, learning and achievement. The involvement and engagement of parents in their children’s learning is recognised as a key element in raising attainment, through support, help and encouragement given at home and whilst at school.

14 Parental Involvement and Engagement Strategy

The Parental Involvement and Engagement Strategy 2023-2026 demonstrates the commitment by Aberdeenshire Council to improve the quality and the extent of all parents’ involvement in their child’s learning and the important role they play in their child’s education.

The plan sets out a vision for parental involvement and engagement for the next three years and covers a journey that a child takes from pre-birth to age 18. It highlights the leadership of those who make the difference day in and day out.

If you would like to read the Aberdeenshire Parental Involvement and Engagement strategy it can be found on Aberdeenshire Council’s website here

[Parental involvement and engagement - Aberdeenshire Council](#)

15 Parental Engagement

Parental engagement is about parents’ and families’ interaction with their child’s learning. It can take place in the home, at school or in the community: where it takes place is not important. The important thing is the quality of the parent’s engagement with their child’s learning, the positive impact that it can have and the interaction and mutual development that can occur as a result of that interaction.

16 Communication

The school uses a range of approaches to share information about your child’s learning and progress. These include:

Use of Groupcall to text and email

Where contact details have been provided, all contacts identified as “parent contacts” will receive the information being sent. The exception to this is the morning absence text which will only be sent to the main parent contact.

Use of Parentsportal.scot

Reporting Calendar

The school calendar highlights planned opportunities where we welcome you into school for events, and opportunities to talk about your child's progress, wellbeing, and behaviour (see Further Information).

The school calendar highlights planned opportunities where we welcome you into school for events, and opportunities to talk about your child's progress, wellbeing, and behaviour (see Further Information).

17 ParentsPortal.scot

parentsportal.scot

In support of Aberdeenshire Council's ambition to offer more digital services to its residents, Aberdeenshire primary and secondary schools are rolling out a new national online service called **parentsportal.scot**. This is designed to replace the paper 'schoolbag run', giving a child's registered contacts access to a range of school-related online services, 24 hours a day, 7 days a week.

At the heart of the system, is a secure account through **mygov.scot**, which is referred to as '**My Account**' or '**MyAberdeenshire**' account. 'MyAberdeenshire' is already used to allow parents/carers to make online payments or receive notifications if a school closes unexpectedly. **Parentsportal.scot** and '**MyAberdeenshire**/'**mygov.scot** will work together, making this a convenient one-stop-shop, to access all Aberdeenshire digital services.

Initially, **parentsportal.scot** will allow parents/carers to see basic information about your child(ren)'s school and twitter account as well as:-

- make a link to your child(ren)
- complete the annual data check process electronically (child's main contact only)
- update their own as well as your child(ren)'s details at any time
- to register and access for online school meal payments using one sign in (iPayImpact)

How do I sign up? - If you **already have a myAberdeenshire account** to pay for school meals through iPayImpact, you can sign up using the same sign in details at <https://parentsportal.scot/home/> You **do not need** to register or set up a new **mygov.scot** account.

If you do not have a myAberdeenshire/mygov.scot account or are looking for more information and videos on how to access to **parentsportal.scot**, please go to <https://www.aberdeenshire.gov.uk/schools/school-info/parents-portal/>

18 Learning at Home

Learning at home is the learning which happens in the home, outdoors or in the community. Your home is a great place to support learning. Your child can try out new activities or practice familiar learning, at home and in their wider community.

At our school we provide materials for you to work with your child to develop key skills at home. For explanation of this please go to our homework policy

<http://www.udnygreen.aberdeenshire.sch.uk/policies-procedures>

19 Parent Forum and Parent Council

The Parent Forum is a collective name for all parents, carers, and guardians in the school.

The Udney Green School Parent Council is a group of parents selected by the Parent Forum to represent the views of all parents, carers, and guardians in the school. The Parent Council works with the school to support learning and teaching, school improvement and parental and community engagement.

Contact the Parent Council Chairperson Mrs **Claire Bain** or Head teacher for more information about getting involved in the Parent Council or email: udnygreen.sch@aberdeenshire.gov.uk

20 Parents and School Improvement

Our school has a range of priorities that we work on each year which are explained in our School Improvement Plan (SIP). Parents often have helpful and creative ideas about how to improve their child's school and what can be done to improve the quality of children's learning. In our school we will consult with parents in a number of ways. These may include:

- working groups/focus groups which any interested parent is invited to be part of
- questionnaires and surveys
- consultation with the Parent Council

21 Volunteering in school

There are many opportunities for you to support learning in school. These may include:

- volunteering to share the skills and knowledge you have
- supporting children and young people in the classroom
- supporting or lead extra-curricular activities
- directly supporting with specific skills (paired reading for example)

More detail about this can be found using the link below:

<http://jobs.aberdeenshire.gov.uk/volunteer-with-us/> or contact your Head teacher.

22 Collaborating with the Community

We work with many local organisations, community groups and businesses to ensure our children and young people benefit from further resources, experiences, and opportunities. If you are interested in working with the school, please contact the Headteacher

23 Addressing Concerns & Complaints

Aberdeenshire Council recognises the vital role that parents play in supporting their child's learning and is committed to fostering positive relationships with parents. No matter how strong partnerships are, or how good our policies are, sometimes things can still go wrong and there may be occasions where parents wish to express unhappiness or dissatisfaction with council services, policies, or staff behaviour.

<http://aberdeenshire.gov.uk/contact-us/have-your-say/have-your-say-guide/>

When a complaint is made it must be handled in accordance with the Complaints Handling Procedure which provides two opportunities to resolve issues internally. In order to maintain positive relationships, it is usually better for all if parental concerns or complaints can be resolved at school/ early years setting level as quickly as possible.

If a concern or complaint cannot be resolved at frontline resolution (Stage 1) then it will progress to Investigation (Stage 2) and a detailed investigation into the matter will be carried out. Complaints that are complex, serious, or high risk and require detailed, lengthy investigation may be dealt with at the Investigation Stage from the outset.

Once the two internal stages of the Complaints Handling procedure have been exhausted, the complainant must be directed to the Scottish Public Services Ombudsman (SPSO) to carry out an independent external review of the process. The SPSO is the final stage of the complaint procedure.

Once the SPSO reaches a decision they may contact the council with recommendations for improvement and will provide dates by which the recommendations must be implemented. The council is required to report back to the SPSO and evidence that the required action has been taken.

School Policies and Useful Information

School Policies such as the Homework Policy; Promoting Positive Relationships; our Mobile Phone etc. are published on the school website and can be found by clicking the parents tab at the top. Please go to:

<http://www.udnygreen.aberdeenshire.sch.uk/policies-procedures>

All Aberdeenshire Council Education policies can be found here:

<http://www.aberdeenshire.gov.uk/council-and-democracy/about-us/service-structure/education-and-childrens-services-policy-framework/>

24 Attendance

What pupils need to know:

Lateness: If you are late to school, please come to the front door and ring the buzzer where a member of staff will let you in. Once in the school building you must go to your appropriate cloakroom area and get ready for class as quickly as possible before entering the class quietly to ensure minimal disruption to the rest of the class. Please ensure you speak to your teacher to inform them of the reason for your lateness.

Please be aware all lunch orders are required to be with the school kitchen by 9.30 am. Therefore if you arrive at school later than 9.30 am you will be required to provide your own lunch.

Permission for absence from school: For medical or dental appointments the teacher should be informed beforehand in writing. Children should always be collected and returned by an adult on these occasions. As far as possible such appointments should take place outwith the school day.

If you are absent: your parents are responsible for informing the school of your absence. This can be by phone call, email or letter via a sibling. Unexplained absences will be followed up by a phone call to your parent soon after 9.30am. Repeated calls will be made until your whereabouts have been confirmed. If contact cannot be made the situation will be assessed and it may be thought necessary to inform the local social work department. In order to avoid causing unnecessary concern for staff and parents the importance of good communication between home and school cannot be over-emphasised.

If you feel ill, tell your class teacher immediately and they will send you to report this to the school office. If appropriate, office staff will arrange for you to be collected from school.

What parents needs to know:

The school follows the Aberdeenshire Promoting and Managing Pupil Attendance in Education Establishments Policy and Guidance. The links for these can be found below

Promoting and Managing Pupil Attendance in Education Establishments policy

Promoting and Managing Pupil Attendance in Nursery, Primary and Special Schools Guidance

Safeguarding is a number one priority for the school and the monitoring of daily absence is an important part of this. To support the school with this, and to ensure that all children and young people are safe and accounted for, it is essential that parents and carers contact the school to inform them of their child's absence.

The school is required to follow up on unexplained absences on a daily basis. Where no information is received about a pupil absence at a certain point in the school day, the school will call the main parent contact and where necessary, they will call any emergency contacts that are held on the school system for that child.

Where no contact can be made and it is therefore not possible for the school to confirm that a child or young person is safe and well, it may be necessary to contact other agencies such as Social Work and Police for support. To minimise the need for this, please contact the school to explain any absence, either prior to, or on the day of the absence

25 Holidays during term time.

The Scottish Government has deemed that holidays taken during term time for primary and secondary children should be recorded as unauthorised absence unless there are special, exceptional circumstances. Should you wish to remove your child from school to attend a family holiday you must inform the Head Teacher. This will be recorded as unauthorised absence though there may at times be exceptional family circumstances previously discussed with the Head Teacher. Parents are advised to limit the number of holidays taken during term time, to minimise disruption to a child's education. For annual holiday dates for Aberdeenshire schools please see the section at the back of this book, contact the school office or go to:

<https://online.aberdeenshire.gov.uk/schooltermdates>

26 Dress Code

We encourage all learners to wear school uniform. This helps to instil a sense of pride, respect and responsibility within our school. Uniform can be ordered directly from one of three school suppliers, Pomprint, Buchan Embroidery or Kool Schools.

School uniform consists of

- a green sweatshirt with school logo
- white/green polo t-shirt/shirt – also available with the school logo
- grey or black skirt/trousers, green checked dress for summer wear
- a green fleece and a green waterproof jacket with the school logo is also available
- indoor shoes, should be worn

We also have a large selection of pre-loved uniform and we encourage all parents to make use of this. If you require school uniform please get in touch with the school before buying.

Please consider the changeable nature of weather conditions and provide your child with appropriate outerwear and footwear to suit. The school was kindly gifted funding from the Udney Community Trust and wellies are available to wear should your child require them.

A PE kit of shorts and t-shirt, all kept in a gym bag, should be taken to school every day.

With regard to safety, the wearing of jewellery is not permitted during PE lessons. If your child (boy or girl) has pierced ears, please ensure they can remove and replace earrings by themselves. Any child wearing earrings that cannot do this will be asked to put surgical tape over them for PE lessons and parents should provide a named roll of surgical tape for this purpose. Thin strapped vest tops are also discouraged for safety reasons as they can catch on gym apparatus and suitable footwear should be provided. Please ensure that long hair is tied back.

Parents should note their responsibility to ensure all clothing and belongings brought to school should be named or marked in some way, as it is difficult for children to distinguish their own clothing from that of others.

27 Clothing Grants

Some families may be entitled to a school clothing grant per eligible child per financial year. More information about this can be found at:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/assistance/school-clothing-grants/>

28 Transport

To qualify for Home-to-School Transport, Primary school pupils must reside more than 2 miles from and attend their zoned school whilst Secondary school pupils must reside more than 3 miles from and attend their zoned school.

These distances are the shortest available route from the pupil's house to the school gate and can take into account main roads (including dual carriageways), tracks and paths. Pupils will be assigned a collection point, in villages and towns and where safe to do so, pupils may have to walk up to 1 mile to the nearest collection point. Pupils who reside in rural locations are usually collected at the nearest adopted road to them (track end or roadside). School transport vehicles will not use private unadopted roads or tracks. It is the parent's responsibility to escort the pupil to and from their collection point. Application forms (Form PTU100) are completed by the school.

29 Privilege Transport

Transport provision is also made available for pupils who are not ordinarily entitled to transport. Privilege transport is provided on school transport services subject to spare seating capacity. There are 3 types of privileged transport available.

In-zone Privileged transport

Pupils who attend their zoned school but are under the qualifying mileage can apply for In-zone privilege transport. If there is suitable seating capacity available and an existing route then the application should be approved, if there is not and there is a safe walking route available to the pupil, then it may be rejected. Please also note that if seating capacity is needed for a pupil who is entitled to school transport, In-zone Privilege pupils may be give written notice and removed from transport.

In-Zone Privilege Transport – Safety

Pupils who attend their zoned school but do not qualify due to their residence being under the qualifying mileage can apply for In-zone privilege transport. If there is no safe walking route available to the pupil, they are guaranteed a seat on transport by applying for an In-zone Privilege pass. A pupil who is guaranteed in-zone privilege transport would not be removed to make room for a pupil who is entitled to school transport.

Out of Zone Privilege Transport

There is no transport entitlement to pupils who attend a school which they are not zoned for. Pupils may apply for Out of Zone Privilege transport; pupils are required to meet the nearest available school transport vehicle to them, and it is the parent's responsibility to bring the pupil to the nearest collection point. Out of Zone Privilege transport pupils may be removed, with written notice, at any time for In-Zone Privilege and Entitled transport pupils. Processing of any new Out of Zone applications received prior to the start of the new term in August does not usually begin until late September. This ensures that all entitled pupils have been allocated and there is a true indication of the remaining available seats. Please have alternative arrangements in place for the start of term and in the event the application is refused.

Applications can be made by contacting your child's school. For further information, see the Council website.

<https://www.aberdeenshire.gov.uk/roads-and-travel/school-transport/>

or contact school.transport@aberdeenshire.gov.uk

Local Bus/Registered School Bus Services

Some services operate as registered bus services. These operate on a fare paying basis and pupils will be required to pay a fare to the driver or purchase a season ticket for travel. National Entitlement cards (NEC) can also be used on these services (Young Persons' -Under 22s Free Bus Travel Scheme)

30 Early Learning & Childcare Transport

Transport to early learning and childcare settings will not be provided by Aberdeenshire Council.

31 Enhanced Provision and Complex Needs Provision

Aberdeenshire Council may provide free transport where necessary for pupils with additional support needs who access Enhanced Provision or Complex Needs Provision level support. In certain cases, it will be appropriate for pupils to make their own way to school by public transport and where this is authorised, bus passes are issued. Where a pupil's address falls in the delineated area of a resourced school, and is within reasonable walking distance, the Local Authority will consult with Specialist Health Services before deciding if free transport should be provided.

32 School Closure & Other Emergencies

Head Teachers decide if and when schools should close due to bad weather or another emergency. In bad weather they will decide this after receiving information about local weather conditions. This decision can be made during any time, day or night. These guidelines outline the procedures for dealing with school closures during bad weather or other emergencies.

If children are at school...

School transport contractors have been told not to allow children to walk home alone from drop-off points under any circumstances during extreme weather conditions. If you can't meet or arrange for your child to be met, the school transport will return them to school or another place of safety.

Public service vehicles – drivers of these vehicles follow a specified route and keep to timetables – they cannot make special arrangements.

If your child attends a Nursery, Primary or Special School, which is to close early, the school will contact you by telephone. If this is not possible the school will contact your named 'emergency contact'. No child will be released from school without contact being made. It is important contact details are current and the people named are available – particularly during bad weather.

If your child attends a Secondary School, because of the large number of pupils in Secondary Schools, parents will be contacted via text/email to inform them of closure.

If you are concerned about local weather condition, contact the school. You may wish to collect your child yourself and are free to do so provided you make arrangements with the school.

Before the start of the school day...

During bad weather some staff may not be able to get to school or bus routes may not be safe to travel on – so the school may have to close. Headteachers will advise parents and carers using the following communication tools:

Outwith school hours, your local radio station is a good place to find out information on school closures. The following radio stations receive updated information every 30 mins from our website:

- **Northsound 1**
-

- FM 96.9
- **Northsound 2**
MW 1035 kHz
- **BBC Radio Scotland**
FM 92.4 - 94.7MW 810 kHz
- **Moray Firth Radio**
FM 97.4 MW 1107 kHz
- **Waves Radio**
FM 101.2
- **Original 106 FM**

Twitter

<http://twitter.com/aberdeenshire>

Aberdeenshire Council Website

<https://online.aberdeenshire.gov.uk/Apps/schools-closures/>

You also have the option to sign up to receive email alerts when your school(s) updates their closure status:

<https://online.aberdeenshire.gov.uk/myAberdeenshire/>

33 Storm Addresses

When there has been severe snowstorm during the day it may be prudent for pupils who live some distance from the normal bus routes not to attempt to reach their homes but to spend the night in alternative accommodation nearer school. It is the parent's responsibility to inform school about any pupils who may be at risk in such situations and to provide the name and address of a relative or friend who is willing to provide overnight accommodation.

34 Change of address and Parental Contact Details

To enable us to make easy contact with parents, the school would appreciate if any changes of address, telephone number or circumstances is amended via your parentsportal.scot account (see Menu section 'Your Account') or notified in writing to the School Office. It is also important that the school has details of an Emergency Contact should it prove impossible to get in touch with parents in the event of an emergency.

35 Anti-bullying Guidance

What is Bullying?

Aberdeenshire Council Education and Children's Services define bullying as the following:

Bullying takes place when the actions of an individual or group of people cause harm to someone by taking advantage of an imbalance of power

within a relationship (whether perceived or real). Bullying behaviour can be persistent and/or intentional, but often it is neither.

Bullying can be verbal, physical, mental/emotional, or cyber and is behaviour and impact. It can be intentional or unintentional, direct or indirect, persistent, or a one-off incident. The impact is on a person's ability to feel in control of themselves.

Bullying can be verbal, physical, emotional, or cyber. It can be intentional or unintentional, direct or indirect, persistent, or a one-off incident. People who experience bullying behaviour feel vulnerable and/or socially isolated.

What will the school do about it?

Schools should promote consistency of response to instances of bullying behaviour using a 6-step approach. They will:

1. Record **all** reported incidents of bullying
2. Speak to the individuals involved having frank and honest dialogue
3. Speak to parents/carers
4. Utilise Restorative approaches
5. Monitor the situation
6. Review and increase response accordingly

More information can be found in the [Aberdeenshire Anti-Bullying Policy: Bullying Prevention and Management for Educational Establishments](https://www.gov.scot/publications/respect-national-approach-anti-bullying-scotlands-children-young-people/) which adheres to the National Approach to Anti-Bullying which can be found at <https://www.gov.scot/publications/respect-national-approach-anti-bullying-scotlands-children-young-people/>

36 School Meals

Primary School Lunches

Lunch time is an important aspect of the school day. Not only does it provide children with a nutritionally balanced meal, it enhances their social and personal development.

How does my child choose their lunch?

In class first thing in the morning children select their meal using the Smart Board. Meal options are displayed, and a choice is made by touching the chosen option shown on the Smart board. The teacher will explain to children the menu options available on the day, but it is helpful for parents of the younger children to discuss this with them before they arrive in school.

Please be aware all lunch orders are required to be with the school kitchen by 9.30 am. Therefore if you arrive at school later than 9.30 am you will be required to provide your own lunch.

The School Catering Service provides good value meals at our schools using carefully sourced quality ingredients. There is always a wide selection of options available from the menu. The menu and helpful information can be found via this link <https://www.aberdeenshire.gov.uk/schools/school-info/meals/primary-school-meals/>

Children with medically prescribed dietary requirements

The school should be advised of any food allergies or medically prescribed dietary support during the school induction process (both primary schools and academies) or when a condition is identified.

If the child is affected and attends a primary school, they will be required to complete the online form to let us know about their dietary requirements, and request special or modified diet.

Request Special or Modified Diet

If the parent/carer can't complete the online form a paper copy can be requested from the school office and this can be provided by contacting the email below.

Parents and carers of pupils with medically prescribed dietary needs can view allergens contained in any food item on the current primary school menus.

<https://www.aberdeenshire.gov.uk/schools/school-info/assistance/free-school-meals/>

<https://www.aberdeenshire.gov.uk/schools/school-info/meals/medically-prescribed-and-special-diets/>

The School Management Team and the Catering staff will be happy to discuss your requirements. In the meantime, if you require dietary information, please email medicallyprescribeddietarysupport@aberdeenshire.gov.uk.

Special Events and Celebrations

The children enjoy eating together and we encourage learning and wellbeing during lunchtime. Occasionally we celebrate special dates and encourage all children to participate.

If your child is going along on a school trip the school catering service can provide a nutritious packed lunch for the occasion and this includes children who qualify for free school meals.

How Much does a Primary School Meal Cost?

The current price of a Primary school meal can be found via the following link -

<https://www.aberdeenshire.gov.uk/schools/school-info/meals/primary-school-meals/>

How do I pay for School lunches?

Lunches are provided free of charge for pupils from P1 to P5.

Paying for School lunches is very easy to do online.

It is very important to keep this account in credit as failure to do so triggers a time-consuming debt recovery process for the School and Catering service. We aim to support the wider Authority to be debt free and require your support in this by ensuring you top-up your account before sending a child for school meals.

Online payments system

We are encouraging parents/carers to register for online school payments to eliminate handling of cash. Parentsportal.scot is the recommended way to register to access all school payments including school meals.

Parentsportal.scot is securely linked to a myAberdeenshire account and to register follow this link <https://www.aberdeenshire.gov.uk/schools/school-info/parents-portal/>

If you are having difficulty making payments, please contact the school office as we are here to support families and will do whatever we can to assist you.

Free School Meals Information

Am I entitled to free school meals?

Click on the link to find information that explains the free school entitlement and how to go about it.

<https://www.aberdeenshire.gov.uk/schools/school-info/assistance/free-school-meals/>

If you have difficulties obtaining access to free school meals, please speak with your school and we will work together to provide assistance.

If you require any further information regarding School Catering please contact - schoolmeals@aberdeenshire.gov.uk

37 Healthcare & Medical

Every child's health and welfare is very important to the school. Parents who have any concerns should let school know by telephoning or writing in. Alternatively, parents can inform the Health Visitor or their own GP. Parents are requested to let the school know of any hospital appointments.

Parents/carers are requested to keep children at home for 24-48 hours if the child has diarrhoea, flu-like symptoms or is clearly unwell.

Always seeks a GP's advice before sending a child back to school. Please remember that other children can be vulnerable to infection.

The school is fortunate to have a nurse in attendance to undertake Health Interviews and provide advice on health matters for pupils. The school doctor will play a vital role in monitoring a child's health and well-being.

Although our medical staff provide help and advice as appropriate, all pupils must be registered with a doctor in general practice who should be consulted about health matters as they arise. Parents should provide us with the name and telephone number of their child's doctor and an up-to-date emergency contact for themselves in case it becomes necessary for a child to be sent home during school hours because of illness.

Aberdeenshire Community Dental Service inspect P1 and P7 children in schools as part of the National Dental Inspection Programme. Written parental consent is not required for dental inspections, but parents will be informed in writing approximately one week before the inspection date.

Most pupils will at some time have a medical condition that may affect their participation in school activities. For many this will be short term, perhaps finishing a course of medication to combat an infection.

Other pupils have medical conditions that, if not properly managed, could limit their access to education. Such pupils are regarded as having health care needs. Most children with health care needs can attend school regularly and, with some support from the school can access most school activities. However, school staff may need to take extra care in supervising some activities to ensure that pupils are not put at risk.

Please find the link below to our guidance: Supporting Children and Young People with Healthcare needs and managing medicines in Educational Establishments.

<https://asn-aberdeenshire.org/policies-and-guidance/>

This guidance supports schools to identify the necessary safety measures to meet the medical needs of pupils in collaboration with NHS Grampian, ensuring pupils and others are not put at risk.

If your child has long term medical conditions such as asthma or diabetes, which may require on-going support, this should be fully discussed with the school. In certain cases specific training of staff about a child's treatment may need to be given. In addition, some children have conditions which may require occasional staff intervention e.g. severe allergic conditions such as anaphylaxis.

Sunscreen - As children are outdoors for learning and for play, parents should apply this prior to sending children to school or nursery. School staff do not supply, nor do they apply, sunscreen creams.

38 Exclusion

The foundation for schools, learning establishments and education authorities is a whole school ethos of prevention, early intervention and support against a background which promotes positive relationships, learning and behaviour.

When a pupil displays behaviour, whereby attendance at the school would be likely to be seriously detrimental to order and discipline in the school or the educational wellbeing of the pupils there the Aberdeenshire Promoting Inclusion and Reducing Exclusion in Education Establishments Policy may apply.

<http://publications.aberdeenshire.gov.uk/dataset/council-policies-education/resource/9e393d1a-2113-44c8-afb6-a517f2d495b6>

39 Educational Visits

We offer various educational visits during the school year. We believe that 'hands on' experiences greatly enhance a child's education, while also helping to make the necessary links between learning in school and life outwith school. Staff members and parent volunteers provide supervision to standards laid down by Aberdeenshire Education & Children's Services. We give parents as much notification as possible regarding visits their children will participate in.

There are grants available through the Aberdeenshire Educational Trust to help with the cost of school trips. For further information go to:

<https://www.aberdeenshire.gov.uk/benefits-and-grants/educational-grants/>

40 Instrumental Tuition

From Primary 4 onwards, tuition is available for a range of musical instruments. Most disciplines are taught in the secondary schools however not all disciplines are available in primary schools due to limited resources. Orchestral string instruments are not normally available to beginners at secondary level. Tuition is subject to availability.

Guide to starting stage by discipline:

- Woodwind - P6
- Brass - P5
- Violin or viola - P4
- Cello or double bass - P4
- Percussion - S1
- Piano or keyboard - P4
- Guitar - P4
- Bagpipes - P4
- Pipe band drum - P4

As of August 2021, we are unable to offer tuition on more than one instrument to pupils.

Music tuition fees

Scottish Government Ministers and COSLA leaders agreed to the removal of fees for the academic years 2021/22 and 2022/23 which has been supported by funding from the Scottish Government to allow existing levels of provision to be maintained.

Funding for 2023/24 has been confirmed by the Scottish Government, therefore there will be no fees for instrumental tuition during this academic session.

<https://aberdeenshire.gov.uk/schools/music-lessons/youth-music-sessions/>

Aberdeenshire Youth Music Sessions (AYMS) provide ensemble music-making opportunities for children outside of the school day.

For further information go to:

<http://aberdeenshire.gov.uk/schools/ims/>

41 Public Liability Insurance

Aberdeenshire Council holds third party liability insurance, which indemnifies the Council against claims from third parties, e.g. parents on behalf of pupils who have suffered injury, illness, loss or damage arising from the negligence of the Council or its employees. In these circumstances all claims are handled on behalf of the Council by external Insurers and Claims Handling Agents and compensation is dealt with on a strict legal liability basis. This means that there is no automatic compensation, the Council must be found negligent in order for any compensation to be offered by our Insurers and / or Claims Handling Agents.

Whilst the school will exercise reasonable care for pupils' property, it is inevitable that property will be lost or damaged from time to time. Pupils' property which is worn or brought to school or left in bags/cloakrooms is at their own risk. This includes but is not restricted to personal items such as jewellery, phones/tablets watches and bicycles. Aberdeenshire Council cannot accept responsibility for loss or damage unless caused by negligence of the school or staff.

42 School Off Site Excursion Insurance

Aberdeenshire Council has in place a School Excursion Insurance policy, whereby both pupils and teachers are covered for offsite activities / trips both within the UK and abroad (offsite meaning off the school premises). The policy covers medical expenses, loss of baggage, cancellation (as specified in the policy) , curtailment and change of itinerary (along with other sundry benefits) etc. for worldwide trips and adventurous activities (including winter sports), subject to policy terms and conditions being met.

If personal items such as jewellery, phones/tablets, watches etc. are taken on a school trip then these are taken at an individual's own risk and are not covered under the policy, unless damage or loss is caused by an Aberdeenshire Council employee.

Personal / individual cover is seen as a parental responsibility and it is your decision as to whether you feel it is appropriate to obtain this.

Where trips are booked and have subsequently to be cancelled because of any Covid related event then insurance will not be valid. This will of course be reviewed periodically.

Please be advised, however, that the Duty of Care aspect below is not insurance related:

Duty of Care

The Authority has a duty of care in respect of pupils in its charge during school hours and as such must take reasonable steps to ensure the safety of all primary and

secondary pupils. This general duty of care continues if the children go home by way of school transport and ends when the child gets off the bus, at which point the parents then become responsible.

43 Data we hold and what we do with it.

The UK's Data Protection Act (DPA) 2018 enacted the EU GDPR's requirements into UK law and, with effect from 1 January 2021, the DPPEC (Data Protection, Privacy and Electronic Communications (Amendments etc) (EU Exit)) Regulations 2019 amended the DPA 2018 and merged it with the requirements of the EU GDPR to form a new, UK-specific data protection regime that works in a UK context after Brexit as part of the DPA 2018 and is known as the 'UK GDPR'.

Aberdeenshire Council is committed to full compliance with these regulations. When you are asked for information by Education & Children's Services, we will tell you why we are collecting the information, how long we will hold it and the legal basis for gathering this information. A Privacy Notice has been issued to all schools relating to the information we hold on yourself and your child/ward.

44 The information we collect from you

Aberdeenshire Council collects personal data and information about your child in order to provide your child with a school education.

We will normally only share information (other than in child protection situations) in order to provide services for your child as part of his/her school education. We collect special category data about your child and process this because it is in the substantial public interest.

The information held by Aberdeenshire Council is used to assess, plan, coordinate, deliver, and quality assure the education services to your child. The Council does not use an automated process for making decisions about your child or the services required; decisions are made with you. We will keep this information for a period of 5 years from the maximum school leaving age of your child, as required to by The Pupils' Educational Records (Scotland) Regulations 2003, unless we have a legal responsibility to keep the information for a longer period of time.

45 Your Data, Your Rights

You have legal rights about the way the Council handles and uses your data. More information about all of the rights you have is available on our website at: <https://www.aberdeenshire.gov.uk/online/legal-notice/data-protection/>

Alternatively, you can contact the Council's Data Protection Officer by emailing DataProtection@aberdeenshire.gov.uk or in writing to: The Data Protection Officer, Town House, 34 Low Street, Banff, AB45 1AY.

You also have the right to make a complaint to the Information Commissioner's Office, (www.ico.org.uk). They are the body responsible for making sure organisations like the Council handle your data lawfully.

The Council is required, where it is the data controller, to act in a transparent manner by providing information to individuals about how it will collect and use their personal data. Privacy Notices are an essential part of complying with this requirement. The Privacy Notice must provide information to individuals in a concise, transparent, intelligible, and easily accessible way and must be written in clear and plain language. All Education & Children's Services Privacy notices are available on our website at:

<http://publications.aberdeenshire.gov.uk/dataset/education-privacy-notices>.

46 Parental Access to Records

Access Requests are the formal process by which individuals can seek information held about them (or their children) by the council. The requests can be broad, in terms of everything that is held, or quite specific - everything held by a specific department, establishment, team or individual. We have a legal requirement to provide the information under the Data Protection Act 2018. An Access Request is wider than an Educational Record in that it will include all personal data held about a child not just their educational record. Further information can be found at:

<https://ico.org.uk/your-data-matters/>

The Pupils' Educational Records (Scotland) Regulations 2003 means that you can get access to your child's records. Details of the regulations and process for obtaining information specific to pupils are available by contacting the school directly or can be found at:

<https://education.gov.scot/parentzone/my-school/general-school-information/my-childs-record/>

47 Information Sharing

In terms of effective communication, including sharing relevant and proportionate information, where appropriate, Aberdeenshire Council in accordance with the Data Protection Act 2018 and Human Rights Act 1998 adheres to this as part of our current routine practice.

48 ScotXed

ScotXed is a term used to represent the Scottish Government's Education Analytical Services, which is part of the Scottish Government's Learning Directorate.

ScotXed have legal powers to request data with regards all children and young people being educated in Scotland's schools, with the information collected about pupils and staff in schools used to help to improve education across Scotland. They do not collect the names of your child/children and they do not receive any contact details the school may have for you (e.g. telephone number, email address), and no information is published or made publicly available that would allow your child/children to be identified. More information on what and why they need data about your child/children, along with how they collect and store it is available in their Education Statistics Privacy Notices for parents and carers:

<https://www2.gov.scot/Topics/Statistics/ScotXed/SchoolEducation/ESPrivacyNotices>

If you have any concerns around the national ScotXed data collections, you can:

- Contact the Scottish Government's data protection officer, DataProtectionOfficer@gov.scot, or
- The Head of Education Analytical Services, Mick Wilson, mick.wilson@gov.scot, or
- You can write to them at Education Analytical Services, Area 2A-North, Victoria Quay, Leith, EH6 6QQ.
- Alternatively, complaints may be raised with the Information Commissioners Office at casework@ico.org.uk.

Further Information

The links below take you to the most up to date information on these topics.

School Improvement Plan

Members of Parental Groups
