

PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to ldp@aberdeenshire.gov.uk or send this form to reach us by 17 July 2020.

We recommend that you keep a copy of your representation for your own records.

We will publish your name as the author of the comment, but will not make your address public.

Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

Changes to existing boundaries marked as settlement boundaries in OP1 Blackdog located in Formartine.

Reason for change:

The area marked OP1 to the west of the new access road to Blackdog (immediately adjacent to the area marked as Safeguarded Business Uses) contains a small wooded area of coniferous trees. This area is habitat to a number of birds of prey and should be protected as habitat for these species which add to the biodiversity of the area, whilst also providing a natural sound barrier for the A90/A96 main roads. Where possible the plan should look to maintain habitat for indigenous species and enhance the natural sound proofing against the main roads for local residents.

The area marked OP1 to the south and south east of the existing Blackdog settlement also contains mature woods of coniferous trees which once again provide habitat for indigenous species of birds and mammals, whilst also adding to the visual appeal of the area. This area should be protected as such, and any development of the surrounding land for housing, leisure or retail purposes should be sympathetic to this.
