

# PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

## **This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.**

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to [ldp@aberdeenshire.gov.uk](mailto:ldp@aberdeenshire.gov.uk) or send this form to reach us by 17 July 2020.

We recommend that you keep a copy of your representation for your own records.

We will publish your name as the author of the comment, but will not make your address public.

**Modification that you wish to see** (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

To remove Woodlands of Durriss (appendix 7 page 759) from the development plan.

**Reason for change:**

1. The current development at Woodlands of Durriss took over 4 years to complete and there are still 2 properties not sold from that original development. There is no demand for further housing in the area.
2. development of this area would have a materially detrimental impact on residents as they would be living with a building site directly behind their properties for potentially years. The developer was messy and noisy and showed little respect for the local residents when completing the first phase.
3. The school has no room for expansion and Banchory Academy is also over populated with more developments being planned in Banchory.
4. The water and sewerage works would require an upgrade
5. the roads in and out of the village are poor and further homes here would cause further issues.
6. There is now no public transport service to this area. If the government want to encourage the use of public transport and green energy they should not approve this area for development as there are no local amenities.
