# YOUR COMMENTS

Please provide us with your comments below. We will summarise comments and in our analysis will consider every point that is made. Once we have done this we will write back to you with Aberdeenshire Council's views on the submissions made. We will publish your name as the author of the comment, but will not make your address public.

**Modification that you wish to see** (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

I would like to see the 'Hub' development elsewhere in the village, perhaps even adjacent to the school in Cluny, or on the site previously earmarked east of the village

**Reason for change:**

- 1) PARKING
- 2) Leaving open space open
- 3) There are other sites, council owned, ie main street, by recycling centre - parking already exists - for temporary site.

Plus we would like much more clarity from those representing us at council meetings as this site has been discussed many times and in the most part other sites have been more preferable.
