

PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to ldp@aberdeenshire.gov.uk or send this form to reach us by 17 July 2020.

We recommend that you keep a copy of your representation for your own records.

Once we have done this we will write back to you with Aberdeenshire Council's views on the submissions made. We will publish your name as the author of the comment, but will not make your address public.

Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

R1 in Pitmedden & Milldale, Formatine – clarification on access routes. Parking?
OP2 in Pitmedden & Milldale, Formatine – feasibility

Reason for change:

I would like to see the clarification on the accessibility routes for the proposed new village hall, will this be accessed from the medical centre? Will there also be parking included. Living next to the proposed site I would like to know if this potential build will go right up to our property boundary.

In relation to OP2 I would love to know the confidence in the council in putting a proposal for housing in this location?

The proposed site of OP1 received more rejections than approvals, yet is still going ahead?

The housing market is so poor currently, we live in one of the newest developments in Puitmedden, the houses have been constructed for 2 years and still houses remain unsold.. Is there confidence that there will be significant desire for all these houses?

With all these houses surely there should be some consideration for better amenities than just a small CO-OP to serve the area?
