To whom it may concern,

I object to the restrictive zoning on Harlaw Park, as a player I want to play at the highest level I can and these restrictions will hold the club back from improving the facilities at Harlaw Park to compete in Scottish Leagues. If the club cannot develop you are restraining a lot of people (not only players) ambitions and aspirations for Inverurie. Rules like this cancel people's dream and explain why Scottish football is a step behind the rest.

Thank you
