YOUR COMMENTS

Please provide us with your comments below. We will summarise comments and in our analysis will consider every point that is made. Once we have done this we will write back to you with Aberdeenshire Council's views on the submissions made. We will publish your name as the author of the comment, but will not make your address public.

Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

Portsoy - OPI - Target Road

Reason for change:

- Blocking of Sea View for a number of residents.
- Park road is often lined with parked cars which makes access difficult.
- There are already two other construction sites close by.

I personally feel like a different site can be chosen that doesn't affect residents as much. I know that myself and some other residents purchased the property because of the seaview.
