Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

<p>NO NO NO</p>	<p>MODIFICATION SHOPS HOUSES</p>
Reason for change: NO REASON FOR CHANGE	

This development is not required and not wanted by the villagers of Potterton. Potterton has been a village for more than half a century to its inhabitants who incidentally love it just how it is. First we have our local shop and Post Office that serves us very well and should weekly shopping, DIY, Pet requirements or household items be required over and above what our local shop may not have we only have to travel a short distance along the main road to acquire these.

The development of more homes is a [redacted] move by the owner of the land and a gross intrusion into a beautiful green area of landscape.

How many more houses do we need. Currently there is more than 5000 homes on the market and all at a reduced cost. More homes will require more school accommodation and children should not be forced by [redacted] developers to be housed in school annexes or porta cabins in some cases. Leave Potterton as is we love our village and our community.
