Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

Reason for change:

I moved to Belhelvie in 2008.
Potterton is the closest village & I after walk to the shop.
The road is unclassified from Potterton to Belhelvie with blind hills & bends.
I am devastated to learn about the Plans for 233 Houses on a Green Belt land.
I want Potterton to keep its village appeal & keep all the lovely green areas where we can walk.
I don't want the area to become a suburb of Aberdeen.
The roads around these two villages are not capable of traffic caused by more houses. The roads are not C roads - unclassified - & feel very strongly about these new Plans.
I am against these houses being built.
Keep Potterton Green!
