Ref: Proposal for development at Site OP5. Laurencekirk of 11 Homes.

Your Ref: LDP2021 NN

Dear Sir

With reference to the above Land South of Gardenston Street. Laurencekirk.

I wish to strongly object to this development going ahead, in my view there are already considerable areas within the town boundaries earmarked for development. our schools are already struggling to cope with new intakes both at the Academy and Primary

It will also have a detrimental effect on the wildlife, my home is adjacent to the proposed development, which over a year ago down at the waterway (Gadgers Burn) were a mother fox and her 2 cubs, bats are also around at dusk and they feed in that field, there are wild deer which come from the woods to graze. This will all be lost if you go ahead with the development.

I am also concerned that the proposed development will clearly have an effect on me, by losing my outlook to the countryside and also losing my privacy.

I do hope you will reconsider your plans and NOT build on this site.

Yours faithfully

Mrs I J Nicoll
