Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

Land to the north west of Teuchar Rd,
Cuminestown.
Development Plan.

Reason for change:

Our family are against this development for a variety of reasons.

- The environmental side of the area being damaged, there is many ^{wildlife} living in the area and surrounding that will be affected.
- Pressure on the school
- Public toilets were shortly to close, as well as the surgery limiting days of service - these 60 houses/development would need to ensure these were open and providing a service. As with issues such as no zebra crossing/safety for school. More houses = more families. Alterations would need to be in place to aid the village.
- we don't agree with the lanes between houses also due to security/privacy problems.
- More cars/pollution. Streets too small for more cars/road traffic. Safety issues for entrances to the development from both sides.
- flooding issues
- Sewage system for village being overwhelmed / not able to provide service for such an amount of houses.
