LDP 2021 NN

We wish to object to the proposed development plan OPI in Potterton as we are concerned about the excessive traffic and noise this will create.

Reason for change:

- 1) Having lived in the village for over thirty years we feel the current roads which run through the village and connect to the AWPR have blind summits and narrow bends would struggle with an increase in traffic.
- 2) We object to the houses being built so close to the existing houses on Derwin Road.
- 3) Why are houses being built on greenbelt land?
- 4) Concerned about an increase in noise when at the moment we live in a peaceful village.
