Dear Sir or Madam

Ref LDP NN, Proposal for Development at site OP1, Macduff (22 Houses)

We object to this proposal; for housing land in this location.

It is simply bad planning to allow more new housing on the periphery of Macduff, when there is a more than adequate supply of vacant houses, under used sites, and development opportunities within Macduff. There are some buildings and sites which have lain vacant for decades, not just a matter of years. Aberdeenshire council should encourage the development of these sites etc by whatever means.

If this is not done the overall character, appeal and appearance of Macduff will further diminish.

Yours faithfully,

Lewis Hay
