

# PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

**This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.**

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to [ldp@aberdeenshire.gov.uk](mailto:ldp@aberdeenshire.gov.uk) or send this form to reach us by 17 July 2020.

We recommend that you keep a copy of your representation for your own records.

# YOUR COMMENTS

Please provide us with your comments below. We will summarise comments and in our analysis will consider every point that is made. Once we have done this we will write back to you with Aberdeenshire Council's views on the submissions made. We will publish your name as the author of the comment, but will not make your address public.

**Modification that you wish to see** (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

Crathes Drumoak & Durris Community Council is in general in support of the agreed list of preferred and not preferred sites as published for the 2020 LDP for the areas of Crathes, Drumoak & Durris and would object to any of the mentioned not preferred sites in Drumoak being overturned during any review.

**Reason for change:**

In addition to the reasons given by Aberdeenshire Council the community feels a very sensitive approach is needed to this area which we believe can be better developed to become a tourist destination for local people and visitors.

We believe that development of any kind south of the river does not comply with many local and national policies not least that of public transport which has been almost completely withdrawn and any development would not provide sufficient demand for a viable service. We have in our communities groups with particular interest to protect the sensitive nature of the River Dee and its habitats. And finally the local infrastructure does not support such developments in particular the limited access to Drumoak via Park Bridge.
