LDP 2021 NN

I object to OP1 and OP2 and the detrimental impact it will have on the village of Potterton.

**Reason for change:**

Potterton is located in the Green Belt and should be protected from development. Additionally, the local infrastructure is not capable of supporting further development - our C class country roads, sewage system and schools are already at full capacity. In the short term I am extremely concerned for my health: as my house borders the proposed development I will suffer excessive noise and air pollution during the construction phase.
