Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

LDP 2021 NN

PROPOSAL TO BUILD HOOT HOMES IN POTTERTON OVER THE NEXT FIVE YEARS.

Reason for change:

I wish to submit my concern at the proposal to build additional homes in POTTERTON.

The gable end of my home is adjacent to the B999. I can honestly say that the amount of traffic on this road has quadrupled since we came to live here in 1994. This road has become a key route for commuters heading for all areas in Aberdeen. Being so close to the new A90 has added to the problem. The B999 is notorious for accidents; to double or triple the traffic on this road would be significantly hazardous, given that the road is a bus route and also heavily used by farm vehicles (tractors etc) and cyclists.

The idea of utilising the C class road past the Stead Inn - a narrow road with passing places - would endanger the lives of all road users - be it by car, bus or bicycle. I strongly object to this proposal.
