

# PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

## **This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.**

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to [ldp@aberdeenshire.gov.uk](mailto:ldp@aberdeenshire.gov.uk) or send this form to reach us by 17 July 2020.

We recommend that you keep a copy of your representation for your own records.

# YOUR COMMENTS

Please provide us with your comments below. We will summarise comments and in our analysis will consider every point that is made. Once we have done this we will write back to you with Aberdeenshire Council's views on the submissions made. We will publish your name as the author of the comment, but will not make your address public.

**Modification that you wish to see** (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

Land to north and south of main road, Tyrie, Fraserburgh

**Reason for change:**

The land outlined in red in the attached plan is owned by our clients and is available for development. Although this has missed the full Local Development Plan process, we were only recently made aware of its availability and the applicant's desire to work with a developer to see this land built out.

Tyrie would be a desirable place in which to live because of the school being close by and accessible by the footpath indicated, and the close proximity of the settlement to Fraserburgh. There is a bus lay-by but development of the land south of the road could also lead to a bus lay-by being formed on the southbound carriageway too, as bus services regularly pass through and stop in Tyrie.

We have marked on multiple potential access points to the land, and utilities plans indicate that all services are available for connection to potential development. A mix of employment land may also be desirable, perhaps best positioned on the land to the south of the road.
