

# PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

**This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.**

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to [ldp@aberdeenshire.gov.uk](mailto:ldp@aberdeenshire.gov.uk) or send this form to reach us by 31 July 2020\*.

We recommend that you keep a copy of your representation for your own records.

*\*UPDATE 16 June 2020: Consultation period was extended from 17 July 2020 for a further two-week period.*

# YOUR COMMENTS

Please provide us with your comments below. We will summarise comments and in our analysis will consider every point that is made. Once we have done this we will write back to you with Aberdeenshire Council's views on the submissions made. We will publish your name as the author of the comment, but will not make your address public.

**Modification that you wish to see** (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

Policy H2 Affordable Housing (pg.42).

**Reason for change:**

Whilst we support the Policy and the 25% requirement for new development to deliver, we believe that in determining the precise provision on each site requires consideration.

We believe that this is a significant issue that needs to be resolved through more detailed research, possibly as part of the Local Housing Strategy, to more accurately identify the affordable need profile of eligible candidates in the qualifying area at the time of the application being considered to make full use of the full range of affordable housing solutions available through Scottish Planning Policy.

There appears to be a mismatch in the range of sizes/types/and tenure of the affordable housing requested by the Housing Service and the actual need within the locality, and in cases where limited need is identified (i.e. less than the onsite provision would be) greater use of commuted sums towards delivery elsewhere should be used. This results, in some cases, in the requested provision being changed at a later date due to lack of take up, and other tenures being agreed post completion to enable low-cost home ownership to allow the development to be completed and fully occupied.

Whilst we appreciate this may be a level of detail beyond what can be addressed in the LDP, and requires a specific response, but we felt it was worthwhile highlighting this at this stage.
