

PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to ldp@aberdeenshire.gov.uk or send this form to reach us by 31 July 2020*.

We recommend that you keep a copy of your representation for your own records.

**UPDATE 16 June 2020: Consultation period was extended from 17 July 2020 for a further two-week period.*

Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

LDP 2021 NN - . I request that Potterton is removed from the statement on Page 19 paragraph 5. 4

Reason for change:

Potterton is a rural settlement surrounded by farmland and greenbelt. It is located in the Aberdeen Housing Market and the Aberdeen green belt. As such it is out with the Aberdeen to Peterhead Strategic Growth area. Potterton is more accurately described in the LDP as a Local Growth Area and not the Strategic Growth Area.

Planning Reporters acknowledged in their submission of the Report of Examination, on 19th December 2016 that at that time no modifications to the Green belt were recommended for Potterton. Under settlement features, " Paragraph 49 of the Scottish Planning Policy identifies that a Green Belt should support the spatial strategy by directing development to the most appropriate locations, protecting and enhancing character, landscape setting and identity of a settlement and provide access to open space. It is appropriate to maintain the Green belt around Potterton to support the vision of the settlement." Potterton was excluded from the Strategic Growth Area at that time.
