Hi,
Please find my comments attached.
Thanks

Please provide us with your comments below. We will summarise comments and in our analysis will consider every point that is made. Once we have done this we will write back to you with Aberdeenshire Council's views on the submissions made. We will publish your name as the author of the comment, but will not make your address public.

Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

I write to object to the LDP change affecting Harlaw Park, taken without consultation with the owners or the community. It should be reverted to either white land or its current master plan developed status.

Reason for change:

Harlaw Park is [redacted] Inverurie Local Works FC and is fenced + secure from public access other than on match days. The clubs 10 year strategy plan and cannot be implemented under the revised LDP. The decisions have been taken without any consultation with the Football club. I understand reference was made to an open space audit in coming to the decision, however Harlaw Park is not an open space. It appears no audit was available to commission at the point of making their decision.
Please rethink the decision for the good of the football club, local businesses + the community and life
