**Modification that you wish to see** (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

LDP 2021 NN

Have not been able to see plans so can't identify the specific Sections.

**Reason for change:**

Objections to the development -

- inevitable increase of traffic on unsuitable roads especially in the area proposed, some of which are C class country roads and an existing risk to pedestrians.
- have been tenants in Potterton for 45 years and were promised a school, Doctor's surgery, shops and light industry when we moved in. We are still waiting!!
- sewage problems have been ongoing for years
- destruction of the green belt endangering historic sites
- the uncertain economic future due to Brexit and Corona Virus with ensuing financial downturn may cause large unemployment especially in the oil industry which is so important in this area and housing will not be needed for oil workers, etc to this capacity
- Buses are not frequent enough (1 per hour)
- the community spirit would be lost due to the increasing population.
