Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

I write to object to the proposed joining change of HARLAW PARK INVENSURE as P19 which has taken place without consideration, consultation with the owners or the community.
It should be reverted to either white land or remain their current MASTER PLAN DEVELOPED AREA.

Reason for change:

Harlaw Park is privately owned by Invenure's local Works F.C. fenced and secure from Public access except on match days. In the current 2017 LDP (only 3 years ago) it was allocated for mixed use development, but little time has been given by the Council to bring this to fruition. But the status in 2017 did allow the club to formulate a 10 year strategy, but this has been knocked on its side by the rejoining in the new LDP.

I find it worrying and upsetting that this can be changed in such a relatively short time without even contacting the club to ask for their views. THIS CANNOT BE RIGHT.

It is my understanding that there are referrals to an Open Space Audit in coming to this decision. But Harlaw Park is not an open space and it now appears that the "Audit" was not even available when Councillors were agreed on the changes.

There seems to be so much wrong with this proposed joining change which puts the credibility of the system, Members and Councillors in doubt.

PLEASE RE THINK THIS TERRIBLE MISTAKE IT WILL DESTROY A CLUB, A BUSINESS AND A COMMUNITY.
