Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

LDP 2021 NN
Policy R1 Special Rural Areas Modification page 31 section 7

Can the wording contained in the 2017 document be reinstated

Reason for change:

There has been major changes in the 2020 plan and the previous 2017 plan ref special rural areas

Please see examples below

In the 2017 document it states housing and employment development opportunities will be significantly restricted.

In the 2020 plan it states Opportunities for small –scale development will be restricted

In the 2017 document it states We will only allow development if it is essential and cannot be located elsewhere

In the 2020 plan this has been removed
