Subject: LDP2021NN – Objection in respect of Proposed LDP Dated: April 2020 - Potterton

To whom it May concern,
I object to the proposed LDP based on the following inaccuracies:

1. The LDP states that “Potterton has a frequent bus service”. This is mis-leading. Currently through the week busses are every hour and not all busses go to Manse Road, only every second bus. On a Sunday this can be every 2 hours, therefore this statement is mis-leading and should be dropped.
2. LDP and Barratts have stated that Manse Road is the main road for the village. This is incorrect. Panmure Road is the main road and Manse road was a dirt track until the 70’s. At one time Panmure Road was a dead end. This error should be corrected.

Regards
Graeme Massie
