# PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

**This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.**

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to [ldp@aberdeenshire.gov.uk](mailto:ldp@aberdeenshire.gov.uk) or send this form to reach us by 31 July 2020\*.

We recommend that you keep a copy of your representation for your own records.

*\*UPDATE 16 June 2020: Consultation period was extended from 17 July 2020 for a further two-week period.*

COUNCIL

Please provide us with your comments below. We will summarise comments and in our analysis will consider every point that is made. We will publish your name as the author of the comment, but will not make your address public.

**Modification that you wish to see** (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

## **Appendix 7C Settlement Statements – Formartine: Potterton section**

On Page 476 under the new heading Contamination I wish to include the words:

'Areas OP1 and OP2 are constrained as contaminated as recorded in the Cadcorp GIS database. Therefore the sites are unsuitable for development.'

## **Reason for change:**

The Cadcorp GIS database records these areas as contaminated.

The documents 'FR140 Land North of Denview Road Potterton Bid Site Assessment' and 'FR141 Land North and North West of Denview Road Potterton Bid Site Assessment' prepared by Aberdeenshire Council planning department state that these sites may be on contaminated land. However, this information is not included in the Main Issues Report or in the proposed LDP.

In addition, the sites are in close proximity to the Wester Hatton Landfill Site which is producing methane gas. It would be dangerous to build houses so close to the landfill site.

Therefore the sites are not suitable for development.
