

PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to ldp@aberdeenshire.gov.uk or send this form to reach us by 31 July 2020*.

We recommend that you keep a copy of your representation for your own records.

**UPDATE 16 June 2020: Consultation period was extended from 17 July 2020 for a further two-week period.*

Please use this form to make comments on the Proposed Aberdeenshire Local Development Plan 2020. If you are making comments about more than one topic it would be very helpful if you could fill in a **separate response form for each issue you wish to raise.**

Please email or send the form to reach us by 31 July 2020 at the following address:

Post: Planning Policy Team, Infrastructures Services
Aberdeenshire Council, Woodhill House, Westburn Road, ABERDEEN, AB16 5GB

Email: ldp@aberdeenshire.gov.uk

Please refer to our **Privacy Notice** at the end of this form for details of your rights under the Data Protection Act.

YOUR DETAILS

Title:	Mr
First Name:	Ian A
Surname:	Downie
Date:	31st July 2020
Postal Address:	c a s e CONSULTING Limited [REDACTED]
Postcode:	[REDACTED]
Telephone Number:	[REDACTED]
Email:	[REDACTED]

Are you happy to receive future correspondence only by email? Yes No

Are you responding on behalf of another person? Yes No

If yes who are you representing?

Tick the box if you would like to subscribe to the Aberdeenshire LDP eNewsletter:

An acknowledgement will be sent to this address soon after the close of consultation.

YOUR COMMENTS

Please provide us with your comments below. We will summarise comments and in our analysis will consider every point that is made. Once we have done this we will write back to you with Aberdeenshire Council's views on the submissions made. We will publish your name as the author of the comment, but will not make your address public.

Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

Amend the LDP allocation entry for the OP2 site in Fraserburgh in Table 3 : Housing Allocations in the Rural HMA to 291 houses

Reason for change:

The OP2 site in Fraserburgh is an amalgamation of site audit reference B/FR/H/032 which entered the audit in 2004 and site audit reference B/FR/H/012 which entered the audit in 2014. The later site represents a second phase development following on from the completion of the earlier allocation.

The 2019 audit indicates that the 2004 allocation is under construction with a residual capacity of 186 houses which contribute 75 houses to the five year effective land supply and 111 houses to the post five year effective land supply. The annual build rate promoted by the housebuilder from 2019 onwards is 15 houses per annum. On this basis the 2014 allocation will be completed in mid 2031 when the second phase of the development can commence the delivery of houses at the same anticipated annual rate.

To reflect this position the second phase allocation with a capacity of 240 houses is shown as marketability constrained in the 2019 housing land audit. On the basis of the housebuilder's assessment of demand in Fraserburgh, and having regard to the fact that the other major site in the settlement will also continue to deliver housing, the likely contribution to the effective land supply from the second phase of the development will be of the order of 105 houses by the end of 2037.

The combined site allocation should therefore be reduced from 590 houses to 291 houses to reflect more accurately the likely contribution to the delivery of housing from this allocation.
