Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

LDP2021NN (POTTERTON P476) Removal of highlighted narrative as below
The community have a desire for a new community hall in the settlement to supplement the Forsyth Hall Men's Shed. Likewise, the Community Council identified a preference for small business units near to the existing business land.

Reason for change:

I am unaware of a public consultation to demonstrate community consensus that community has a desire for a new Community Hall or for provision of small business units. I would prefer to preserve the greenbelt/rural area.
