**Modification that you wish to see** (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

I am writing to formally object to the proposed zoning change of Harlaw Park, Inverurie as P19 which has now taken place without consideration nor consultation with the owners, Inverurie Loco Works, or the community.

**Reason for change:**

Harlaw Park is a community owned, private football ground, securely fenced and with no general public access. In the 2017 LDP it was allocated for a mixed use development, how could this be changed in such a short time, without any discussion with the owners (the community)? The club have put a long term strategy in place, using the existing zoning as security, to build a club capable of competing in the higher leagues of Scottish Football. This has been taken away without consultation and with councillors making decisions without proper information or knowledge of what was actually happening.

You are going to devastate a club, business and community by taking away something which they had as security and certainty.

Please reconsider your proposals and leave the ground as was classified in the 2017 LDP.
