

PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

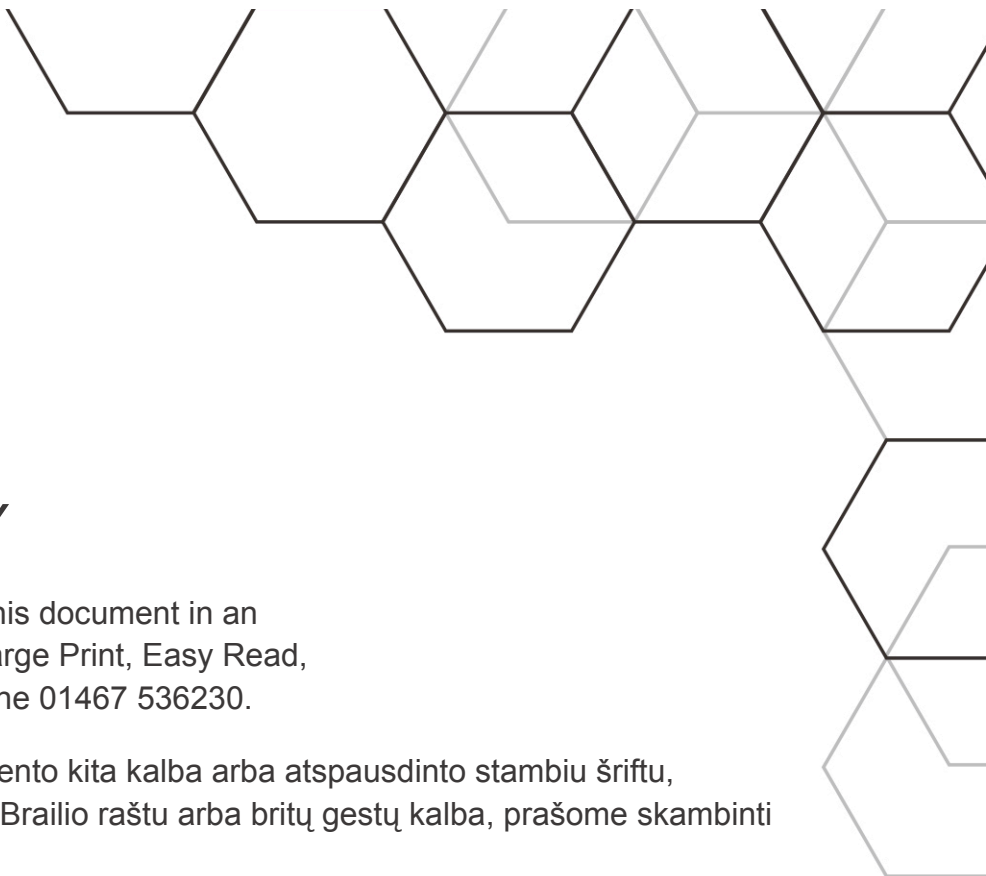

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to ldp@aberdeenshire.gov.uk or send this form to reach us by 31 July 2020*.

We recommend that you keep a copy of your representation for your own records.

**UPDATE 16 June 2020: Consultation period was extended from 17 July 2020 for a further two-week period.*

ABERDEENSHIRE PROPOSED LOCAL DEVELOPMENT PLAN 2020

Response on behalf of: Kirkwood Homes Limited & Inchmarlo Farms Limited

Subjects: OP3: Inchmarlo

Date: July 2020

Contents:

1.0 Introduction and Executive Summary

2.0 Proposed Local Development Plan 2020

3.0 Conclusion

Appendix 1: OP3 Overlay Plan

1.0 Introduction and Executive Summary

- 1.1 Kirkwood Homes Limited (Kirkwood) and Inchmarlo Farms Limited (Inchmarlo Farms) recognise that the Proposed Plan is a key stage in the preparation of the Aberdeenshire Local Development Plan 2020 (LDP 2020) as it represents the Council's "settled view" as to what the final adopted content of the Local Development Plan should be.
- 1.2 Kirkwood and Inchmarlo Farms therefore welcome the opportunity to comment on the Proposed Plan and the following sets out their combined views on land identified within the Proposed Plan as OP3: Land at East Mains and Auldeer Wood, Inchmarlo.
- 1.3 This is a newly allocated site that benefits from extant planning permission for mixed uses which the Proposed Plan recognises as been partly implemented. The planning permission is therefore extant in perpetuity and the proposed allocation is therefore welcomed.
- 1.4 This brief statement expands on the reasons for support and the developer and landowners current intentions regarding reinvigoration and timeous implementation of the proposals.

2.0 Proposed Local Development Plan 2020

- 2.1 The Proposed Plan, Appendix 7f page 825, identifies the subject land for mix of uses including homes, tourism, leisure and business. As an overall summary intended to generally reflect the terms of the extant consent, this is supported.
- 2.2 There are a number of technical assessments listed as requirements and whilst many have been carried out and prior approved, it is accepted that, through any further implementation of these or revised proposals, the various matters will need refreshed at the appropriate time.
- 2.3 As way of background, the site benefits from consents for the stated uses and in February 2020, in order to reinvigorate the proposals, Kirkwood submitted a Proposal of Application Notice (ENQ/2020/0176) for tourism and leisure hotel and residential development of up to 100 houses. The pre-application consultation event was held of 27th February 2020.
- 2.4 The application pack is currently being assembled with a view to submit an application for planning permission by autumn 2020. The LDP Delivery Programme recognises and timelines the PoAN process and, subject to timeous progression of the application for planning permission, the Delivery Programme can be updated to reflect the delivery timescale for the reinvigorated proposals.
- 2.5 The only change requested to the Proposed LDP regarding OP3 relates to the eastern section of OP3, as identified on LDP page 826. The attached plan, Appendix 1, shows the eastern section of OP3 overlaid onto an aerial image along with the proposed development layout. The additional

area shown orange is required for landscaping and land forming to the northern boundary. We therefore respectfully request that the area shown orange is added into the proposed allocation OP3.

3.0 Conclusion

3.1 The developer, Kirkwood Homes, and landowner, Inchmarlo Farms, both welcome the sites identification as a committed project within the Proposed Plan and look forward to liaising further with the Council and the local community regarding the reinvigoration and delivery of the project. One change is requested to the allocation boundary, as set out in paragraph 2.5 above.
