Subject: Site OP1 Ardallie

Good morning. My client made a representation to have his land included in the forthcoming Local Plan. We note that the adjoining land has been included (marked A on the attached plan) but our client's ground marked with an X has been excluded. My client is happy to link his land to that of the "A" to create a larger opportunity site if this helps rather than a stand alone site.

Please feel free to contact us on the numbers below if you have any queries.
