

# PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

**This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.**

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to [ldp@aberdeenshire.gov.uk](mailto:ldp@aberdeenshire.gov.uk) or send this form to reach us by 31 July 2020\*.

We recommend that you keep a copy of your representation for your own records.

*\*UPDATE 16 June 2020: Consultation period was extended from 17 July 2020 for a further two-week period.*

**Modification that you wish to see** (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

## **Proposal OP3, Land at Gallowhill, Kincardine O'Neil (Development Bid Site MR057)**

### **Pages 835 & 837 of Appendix 7F Settlement Statements Marr**

On behalf of our client, The Church of Scotland General Trustees, we support the allocation of Housing Proposal OP3 on Land at Gallowhill, Kincardine O'Neil as set out on pages 835 and 837 of Appendix 7F Settlement Statements Marr.

We support the retained allocation of this site in the replacement LDP for 8 homes and do not request any modifications to this allocation.

We have, however, provided some additional background information on this site below, and would request that the Council maintains the allocation of this site throughout the LDP Examination process which would see the site allocated for housing (Proposal OP3) in the Adopted LDP.

### **Reason for change:**

#### **Introduction & Background**

This representation has been prepared by John Handley Associates Ltd, Chartered Town Planning Consultants. It is submitted on behalf of The Church of Scotland General Trustees, the owners of the 1.05 hectare development site which is currently allocated in the adopted LDP as *Proposal OP3 Land at Gallowhill, Kincardine O'Neil*. The site is allocated in the adopted LDP for the development of 8 homes.

On behalf of The Church of Scotland General Trustees, we welcome this opportunity for further engagement in the replacement LDP process and wish to provide the following comments on the published version of the Proposed Plan. This submission follows on from our submissions on this site which were made on behalf of the General Trustees at the earlier Call for Sites consultation stage in March 2018.

Please note that this particular submission is restricted to matters relating to our client's current land interests in Kincardine O'Neil, separate submissions have been made in respect of our client's other land interests throughout the Aberdeenshire area.

#### **Support for Proposed Allocation of OP3 Site in Kincardine O'Neil**

The General Trustees welcome and support the proposed retention of their site in Kincardine O'Neil as an allocated housing site, and commends the Council for adopting this position in the replacement LDP.

In this respect we support the proposed retention of this site as an allocated development proposal for 8 homes as set out on pages 835 and 837 of Appendix 7F Settlement Statements Marr.

We would therefore request that the Council maintains the allocation of the General Trustees' site throughout the LDP Examination process which would see the site allocated for housing (Proposal OP3) in the Adopted LDP.

**CONTINUED...**

As confirmed in our Call for Sites submission for this site, we can confirm that this site is an available, effective, viable and deliverable housing site, capable of development within the plan period. The site is owned by the Church of Scotland General Trustees and is expected to be marketed for sale as a development opportunity later this year.

The site does not present any particular challenges in terms of topography or gradient, and the development of the site would follow and reflect the pattern of development in the surrounding area. The location of the site in relation to the existing residential development represents a natural and logical infilling of the settlement, and would help to sustain and support local facilities and services.

The proposed development of this site would be in keeping with the surrounding environment and would be designed to respect the scale, form and density of existing residential developments in the surrounding area.

It is our client's intention to engage with a development partner with an excellent track record, expertise and experience in building high quality modern housing developments. The proposed development of the site would incorporate design features which will help create a sense of place and identity whilst meeting sustainability and energy efficiency demands. Our client wishes to ensure that a high quality residential development in keeping with the surrounding area is created and this would be met through the design layout of the housing, access roads and any associated open space.

We therefore remain of the view that the continued allocation of this site will result in the creation of a sustainable and high quality development. This will complement the established housing development in this area and meet the objectives of the settlement by meeting local housing needs; sustaining local services; and enhancing the role and attractiveness of this settlement.

On behalf of our client, the Church of Scotland General Trustees, we therefore request that the allocation of Proposal *OP3 – Land at Gallowhill Road, Kincardine O'Neil* is maintained within the replacement Local Development Plan for the development of 8 homes.

We trust these comments will be of interest and assistance.

We would be grateful if you could confirm safe receipt of this submission and keep us informed of progress on the replacement LDP.
