Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

I object to OP1 + OP2 and the ammendment of the green belt around the village of Potterton.

Reason for change:

AWPR was to be a transport corridor not a development corridor.

- In the ancient woodland which borders the sites there are nesting red squirrels, Bats + Badgers - all protected species!!

- I am concerned about all the wildlife!!

- The bus service IS NOT frequent - frequent is every 15 minutes - this is certainly not the case in Potterton - ours is at best timetabled.

Our amenities are all in Dalmedie & there is no bus to get there!!

The primary school is already at 118% capacity - without these sites.
