Modification that you wish to see (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

I would like to object to the Proposed Local Development Plan for the changes in Potterton, allowing so to increase in housing over 5 years which will triple in size for the village. I object to OP1, OP2 and the destruction of the Green Belt around the Village of Potterton.

Reason for change:

This is not an appropriate location for this type of Development.

The traffic will increase and we will live on a perpetual building site for years to come.

There are no Schooling facilities here in Potterton.

Potterton has always been a community and as a resident, take pride in it.
