# PROPOSED ABERDEENSHIRE LOCAL DEVELOPMENT PLAN 2020 RESPONSE FORM

As part of the production of the Local Development Plan, a 'Main Issues Report' was published in January 2019. The responses from these consultations have helped to inform the content of the Proposed Local Development Plan ("the Proposed Plan").

The Aberdeenshire Local Development Plan will direct decision-making on land-use planning issues and planning applications in Aberdeenshire for the 10-year period from 2021 to 2031. The Proposed Plan was agreed by Aberdeenshire Council in March 2020 as the settled view of the Council. However, the Proposed Plan will be subjected to an independent examination and is now open for public comment.

## **This is your opportunity to tell us if anything should be changed in the Proposed Plan, and why.**

When writing a response to the Proposed Plan it is important to specifically state the modification(s) that you would wish to see to the Plan.

This is the only remaining opportunity to comment on the Proposed Plan. The reasons for any requested changes will be analysed and reported to Scottish Ministers. They will then appoint a person known as a Reporter to conduct a public examination of the Proposed Plan, focusing particularly on any unresolved issues and the changes sought.

Ministers expect representations (or responses) to be concise (no more than 2000 words) and accompanied by limited supporting documents. It is important to ensure that all of the information that you wish to be considered is submitted during this consultation period as there is no further opportunity to provide information, unless specifically asked.

Please email comments to [ldp@aberdeenshire.gov.uk](mailto:ldp@aberdeenshire.gov.uk) or send this form to reach us by 31 July 2020\*.

We recommend that you keep a copy of your representation for your own records.

*\*UPDATE 16 June 2020: Consultation period was extended from 17 July 2020 for a further two-week period.*

# YOUR COMMENTS

Please provide us with your comments below. We will summarise comments and in our analysis will consider every point that is made. Once we have done this we will write back to you with Aberdeenshire Council's views on the submissions made. We will publish your name as the author of the comment, but will not make your address public.

**Modification that you wish to see** (please make specific reference to the section of the Proposed Plan you wish to see modified if possible, for example Section 9, paragraph E1.1):

Policy P1.2 should be amended, as explained below.

## Reason for change:

We recommend changes to Policy P1.2. In practice the masterplanning requirements in Aberdeenshire create a two-step consent process which has no basis in legislation and is inconsistent with creating a streamlined planning system. It requires applicants to first secure approval at committee for a site masterplan and then proceed with pre-application consultation followed by a planning application. In our experience the committee has a tendency to seek much more detail than might be expected for this exercise, more akin to the consideration of a planning application. This is unnecessary and time consuming duplication and there is no justification in legislation or guidance for such an approach.

However, we accept that there may be benefit in the approach for large strategic sites which will be delivered over multiple phases or by multiple owners.

We therefore recommend that Policy P 1.2 should be amended as follows (**additions, deletions**)

“A Masterplan that has been subject to public consultation, must be prepared for **larger all major** housing and mixed-use developments (more than **200 50** homes, and/or more than **10 2** hectares of employment or retail development) ~~or other developments of a size and scale deemed appropriate by the Planning Authority that merits the provision of a Masterplan.~~

We will support:

- ~~• new development on sites identified within Appendix 7, or other developments of a size and scale deemed appropriate by the Planning Authority, as requiring a development framework or Masterplan, OR~~
- larger ~~major~~ developments (more than **200 50** homes, or more than **10 2** hectares of employment, retail or mixed-use development ~~deemed appropriate as major development by the Planning Authority~~)

if they keep to a previously agreed statement(s)<sup>1</sup> on the proposed design for the site. Any previously agreed statement must have gone through a process that includes an appropriate level of consultation. Once agreed, a Masterplan shall remain valid for a period of 5 years, unless planning permission for the development has been granted and implemented.”
